viii)	03/02/2016	Longford Local District Committee	Ordinary

Minutes: 15 February 2016

#### **DECISION**

#### Cr Lambert/Cr Gordon

That the Minutes of the Meetings of the above Council Committees be received.

Carried unanimously

#### 3 RECOMMENDATIONS OF SUB COMMITTEES

That Council note the following recommendation/s of Committees:

Meeting Date	Committee	Recommendation
02/02/2016	Campbell Town	That Campbell Town be considered next for entrance statement designs.
		Mr Michael Roach be nominated to attend meetings of the Elizabeth Macquarie Irrigation Trust (EMIT) and provide information back to the Campbell Town District Forum, and Mr Roach delegate to another member of the Forum in the event he is unavailable to attend an EMIT meeting.
02/02/2016	•	That Council investigate the feasibility of having the hydro poles moved. (Carried 5/2)
		That Council serve notice on Taswater to repair the pavement surface, at the site of the water leak, forthwith. (Carried 6/1)
03/02/2016	Committee	That the Ross Local District Committee provide a letter of support to Mr Kim Peart regarding an application for nomination of the Ross Bridge for National heritage listing.
03/02/2016	_	That the Longford Local District Committee has expressed its dissatisfaction with
		the report by MRCagney in that it did not properly address all of the traffic issues identified by the Longford Local District Committee regarding the amenity of the town in not recommending any changes and the committee will make further recommendations to Council.

In the attached minutes of sub committees, no new recommendations have been noted as being for Council's consideration.

NOTE:

Matters already considered by Council at previous meetings have been incorporated into INFO 15: Officer's Action Items.

#### **DECISION**

#### Cr Gordon/Cr Adams

That Council **note and investigate** the following recommendation of the **Campbell Town District Forum**:

*i)* That Campbell Town be considered next for entrance statement designs.

That Council **note** the following recommendation of the **Campbell Town District Forum**:

ii) Mr Michael Roach be nominated to attend meetings of the Elizabeth Macquarie Irrigation Trust (EMIT) and provide information back to the Campbell Town District Forum, and Mr Roach delegate to another member of the Forum in the event he is unavailable to attend an EMIT meeting.

Carried unanimously

#### Cr Knowles/Cr Adams

That Council **note and investigate** the following recommendations of the **Evandale Advisory Committee**:

- i) That Council investigate the feasibility of having the hydro poles moved (Falls Park Frontage). Carried 5/2.
- ii) That Council serve notice on Taswater to repair the pavement surface, at the site of the water leak (Rodgers Lane), forthwith. Carried 6/1.

Carried unanimously

#### **Cr Calvert/Cr Knowles**

That Council **note** the following recommendation of the **Ross Local District Committee**:

That the Ross Local District Committee provide a letter of support to Mr Kim Peart regarding an application for nomination of the Ross Bridge for National heritage listing. Carried unanimously

#### Cr Adams/Cr Goss

That Council note the following recommendation of the Longford Local District Committee:

That the Longford Local District Committee has expressed its dissatisfaction with the report by MRCagney in that it did not properly address all of the traffic issues identified by the Longford Local District Committee regarding the amenity of the town in not recommending any changes and the committee will make further recommendations to Council.

Carried unanimously

#### **PETITION**

#### **PURPOSE OF REPORT**

In accordance with the Vision, Mission and Values of Council as identified in the Council's Strategic Plan 2007-2017 and the Local Government Act 1993, S57 - S60, provision is made for Council to receive petitions tabled at the Council Meeting.

#### 2 **OFFICER'S COMMENT**

In relation to the receipt of petitions, the following provisions of the Local Government Act 1993, Part 6 - Petitions, polls and public meetings, S57 and S58, should be noted:

#### Section 57. Petitions

- A person may lodge a petition with a council by presenting it to a councillor or the general manager.
- A person lodging a petition is to ensure that the petition contains (2)
  - a clear and concise statement identifying the subject matter; and
  - (b) a heading on each page indicating the subject matter; and
  - (c) a brief statement on each page of the subject matter and the action requested; and
  - a statement specifying the number of signatories; and
  - (e) the full printed name, address and signature of the person lodging the petition at the end of the petition.

#### 58. Tabling petition

- A councillor who has been presented with a petition is to
  - table the petition at the next ordinary meeting of the council; or
  - forward it to the general manager within 7 days after receiving it.
- (2) A general manager who has been presented with a petition or receives a petition under subsection (1)(b) is to table the petition at the next ordinary meeting of the council.
- (3) A petition is not to be tabled if -
  - (a) it does not comply with section 57; or
  - (b) it is defamatory; or
  - (c) any action it proposes is unlawful.
- The general manager is to advise the lodger of a petition that is not tabled the reason for not tabling it within 21 days after lodgement.

#### 3 **PETITIONS RECEIVED**

Nil.

Page 103

#### **CONFERENCES & SEMINARS:** REPORT ON ATTENDANCE BY COUNCIL DELEGATES

#### 1 **PURPOSE OF REPORT**

To provide an opportunity for Councillors and the General Manager to report on their attendance at recent conferences/seminars.

In accordance with Council's Strategic Plan 2007-2017 (2012/13 Revision), Part 1 – Governance, the core functions are:

- Support Council with governance advice and effective leadership, review and implement organisational values through day to day operations, effective communication, community consultation and advocacy, issues identification, strategic and corporate planning, annual reports, public and private resource sharing, induction of elected members, provision of legal advice, human resources management and liaise with representative bodies.
- Support Council with sound financial advice and management, and generate funds without burdening the community. Rates administration, budgeting and reporting, debt collection, taxation, asset registers and depreciation, receipts and payments, wages and salaries, loans and investments, records management, information technology, and customer service.

#### **CONFERENCES AND SEMINARS** 2

Nil

#### **WORKS & INFRASTRUCTURE REPORT**

The Works & Infrastructure Report for the period to 9 February 2016 was circulated in the Attachments.

#### **BUILDING APPROVALS**

The following table provides a comparison of the number and total value of building works for 2015 and 2016:

#### 12 HEALTH ISSUES

#### **Immunisations**

The *Public Health Act 1997* requires that Councils offer immunisations against a number of diseases. The following table will provide Council with details of the rate of immunisations provided through Schools. Monthly clinics are not offered by Council; however, parents are directed to their local General Practitioner who provides the service.

MONTH	2013	/2014	2014	1/2015	2015/2016		
MONTH	Persons	Vaccination	Persons	Vaccination	Persons	Vaccination	
July-September	32	32	65	68	31	31	
October-December	23	23	66	68	-	-	
January-March	-	-	-	-			
April-June	87	194	85	163			
TOTAL	142	249	216	299	31	31	

#### **Other Environmental Health Services**

Determine acceptable and achievable levels of environmental and public health by ongoing monitoring, inspection, education and, where necessary, by applying corrective measures by mutual consent or application of legislation.

Ensure safe standards of food offered for sale are maintained.

Investigations/Inspections	2013/2014	2014/2015	2015/16
Notifiable Diseases	6	2	1
Inspection of Food Premises	126	118	68

Notifiable Disease investigations have been carried out by the Department of Health and Human Services from Hobart,

with only significant outbreaks directed to Council to assist with investigations. However, due to the prompt and thorough investigating by Council Environmental Health Officers, the Department now directs more cases for Council to investigate.

Food premises are due for inspection from 1 July each year.

• Work on Westmoor Bridge, Powranna Road - progressing.

#### f. Flood levee

Programmed monthly/ bi-monthly inspections of flood levee carried out by Works and Infrastructure staff.

#### g. Engineering

- Input into Northern Regional Infrastructure group ongoing.
- Hydraulic modelling of stormwater system in Western Junction Industrial Area ongoing.
- Development of stormwater plans for all towns as required by the Urban Drainage Act 2013 ongoing.

#### h. Capital works

- Construction of new kerb and channel in Glenelg Street, Campbell Town in progress.
- Road reconstruction works on Wilmores Lane, practically complete.
- Construction of new turning head and drop off zone for the Perth Primary School practically complete.
- Logan Road, new stormwater main in progress.
- Sealing of Brickendon Street between Catherine Street and Cressy Road Practically complete.

#### 17 RESOURCE SHARING SUMMARY FROM 01 JULY 2015

Prepared by: Martin Maddox, Accountant/Executive Officer

Resource sharing summary for the period 1 July to 30 June 2016 was circulated in the Attachments.

#### 18 VANDALISM

Prepared by: Jonathan Galbraith; Engineering Officer

			Estimated Cost of Damages						
Incident	Location		December 2015				nuary 2015		
Vandalism in toilet	Valentines Park	\$	700						
Traffic counter vandalised	Wellington St, Longford	\$	400						
Damage to door and weatherboards	Cressy Childcare Centre	\$	700						
Damage to toilet cistern Ross			50						
Toilet roll holders removed Evandale		\$	250						
TOTAL COST VANDALISM			2,100	\$	1,100	\$	1,100		

#### **DECISION**

#### **Cr Goninon/Cr Lambert**

That the Information items be received.

Carried unanimously

#### 31/16 LONGFORD DESTINATION PLAY SPACE AND PLAYGROUND

*File:* 16/052

Responsible Officer: Lorraine Green, Manager Economic and Community Development
Report prepared by: Lorraine Green, Manager Economic and Community Development

#### 1 PURPOSE OF REPORT

To request Council approve the placement of the order for stage one of the state of the art, electronic, destination play space, and the contemporary playground for younger children, on Longford Village Green, with the full payment to be made in 2016/2017.

#### 2 INTRODUCTION/BACKGROUND

One of the key recommendations of the Longford Visitor Appeal Study was:

"create a family fun park/playground that is different, quite special and provides a quality experience that encourages repeat visits and positive word of mouth to promote it."

Council considered this recommendation at the June 22nd 2015 Council Meeting and resolved:

#### **DECISION**

#### Cr Polley/Cr Lambert

#### That:

- Council authorises management to progress the preparation of a concept plan for the play space in consultation with stakeholders.
- Council authorises Council officers to arrange a public forum to collate the ideas of the b) community for the project, prepare a brief and submit to play space developers.
- c) Allocate a budget of \$10,000.

Carried unanimously

Ultimate Play, Launceston-based Playground installers, who installed the destination playground at the Tail Race Centre, were asked to develop some preliminary concepts for Council/community consideration.

One concept was the Kompan Icon Play Space: 'the electronic playground of the future which, by combining the joys of outdoor play with the immersion of video games, brings together two central elements of children's modern need for play'. There are currently no such playgrounds in Tasmania and this would certainly be a destination play space that would attract families from across the state and tourists.

The Kompan Icon Play Space is suitable for all ages and abilities (including persons reliant on wheelchairs for mobility).

The play space and playground is to be located where the current children's playground is on the Longford Village Green.

At Council's August 17th, 2015, meeting, in closed Council, council considered the proposal to develop the state of the art, electronic destination play space and the contemporary playground at a total cost of \$413,158 GST inclusive.

Council make the following decision available to the public:

#### **DECISION**

#### Cr Polley/Cr Knowles

That the matter be discussed.

Carried unanimously

#### Cr Knowles/Cr Polley

That Council endorse the playgrounds proposal prepared by Ultimate Play and commit to funding at least \$116,579 of the cost of the playgrounds.

Carried

#### Voting for the motion:

Acting Mayor Goss, Cr Polley, Cr Calvert, Cr Gordon, Cr Lambert, Cr Knowles, Cr Goninon **Voting against the motion:** 

Cr Adams

Council Officers subsequently made application to the 2015-2016 Tourism Funding Program for 50% of the funding (\$206,579) and to the Tasmanian Community Fund for \$90,000.

These funding programs are highly competitive and Council did not secure funding from either program.

At Council's January 18th 2016 Meeting, Council considered the proposal to fund the play space and playground in two stages. One stage comprising the installation of ten of the play space and playground equipment items, and stage two the remaining three pieces of play equipment.

Council resolved:

#### Cr Goninon/Cr Gordon

That Council allocate \$250,000 for Stage 1 of the Kompan Icon Play Space and Contemporary Playground to be installed on Longford Village Green in 2016/2017 and the balance of the allocation to be considered as part of the 2017/18 budget deliberations.

Carried

When this decision was communicated to the Mrs Carolyn White, Ultimate Play consultant, she advised if the stage one play space and playground order was placed in mid-February 2016, weather permitting, the play space and playground would be installed by early June 2016, and that Kompan is willing to accept full payment for stage one in 2016/2017.

#### **3 STRATEGIC PLAN 2007/2017**

The Strategic Plan 2007/2017 (2012/2013) Revision) provides the guidelines within which Council operates. The following "Volume 1 – Mapping Our Direction" goals have relevance to this issue:

**Part 1B:** Finance:

1.13 Asset Management

**Part 2:** The Local Economy

2.1 Long Term Economic Development

**Part 3:** The Local Community

3.2 Health

**Part 5:** Focus on Playground Assets

5.3 Community Facilities

Provide reserves, public open spaces, recreational facilities, cemeteries, public buildings and other council amenities which are designed, developed and maintained to meet the needs of the Northern Midlands community.

#### 4 FINANCIAL IMPLICATIONS

The cost of stage one of the play space and playground has been quoted as \$252,701 GST exclusive.

If the order for stage one of the project is not placed until 2016/2017, Ultimate Play estimates the cost of stage one will increase to at least \$287,000 GST exclusive due to the loss of a 15% discount currently on offer and the impact of a Kompan price increase that takes effect on July 1<sup>st</sup> 2016. The changing value of the Australian dollar may further increase the cost of a delayed start to stage one of the project.

#### **5** RISK ISSUES

Delaying the implementation of this project impedes Council's goal of Longford becoming a tourist destination, and prevents the accrual of the economic and social benefits for Longford associated with the project.

#### **6 COMMUNITY CONSULTATION**

Community consultation with regard to the Kompan Icon Play Space and Playground indicated an overwhelming level of support for the project.

#### 7 OPTIONS FOR COUNCIL TO CONSIDER

Council can either approve or not approve the placement of the order for stage one of the state of the art, electronic, destination play space, and the contemporary playground for younger children, on Longford

Village Green, with the payment to be made in 2016/2017.

#### 8 OFFICERS COMMENTS/CONCLUSION

The installation of the Kompan Icon Play Space and Contemporary Playground on Longford Village Green will attract significant numbers of intra and interstate visitors to Longford and it will hold these visitors in the town for longer periods, thus yielding significant economic benefits for local businesses.

It is noted that this proposal doesn't include the Liberty Swing for which Longford resident Mrs Bell is fundraising. Provision can be made to install the Liberty Swing as a stage two of the play space and playground project.

#### 9 ATTACHMENTS

Ultimate Play: Victoria Square One Concept Design

#### **RECOMMENDATION 1**

That the matter be discussed.

#### **RECOMMENDATION 2**

That Council approves the placement of the order for stage one of the state of the art, electronic, destination play space, and the contemporary playground for younger children, on Longford Village Green, with the full payment to be made in 2016/2017.

#### **DECISION**

#### **Cr Knowles/Cr Goninon**

That the matter be discussed.

Carried unanimously

#### **Cr Knowles/Cr Gordon**

That Council approves the placement of the order for stage one of the state of the art, electronic, destination play space, and the contemporary playground for younger children, on Longford Village Green, with the full payment to be made in 2016/2017.

Carried

#### **Voting for the Motion:**

Mayor Downie, Cr Calvert, Cr Goninon, Cr Gordon, Cr Knowles, Cr Lambert

#### **Voting against the Motion:**

Deputy Mayor Goss, Cr Adams

### 32/16 FINANCIAL AND ECONOMIC ANALYSIS OF THE CAMPBELL TOWN WAR MEMORIAL OVAL PRECINCT DEVELOPMENT PLAN

File: 16/070

Responsible Officer: Lorraine Green, Manager Economic and Community Development
Report prepared by: Lorraine Green, Manager Economic and Community Development

#### 1 PURPOSE OF REPORT

To seek Council's approval for Council officers to call quotes for the design of the new facility, incorporating public toilets, at the Campbell Town War Memorial Oval Precinct.

#### 2 INTRODUCTION/BACKGROUND

In April 2014 Council entered a service agreement with Landscape Consultant, Mr Jeff McClintock, to prepare a development plan for the Campbell Town War Memorial Oval Precinct.

Mr McClintock's report 'Campbell Town War Memorial Oval Precinct Development Plan' was presented to Council at the December 8<sup>th</sup> 2014 Council Meeting. The report included a recommendation for the development of a multipurpose centre at the War Memorial Oval Precinct with a function room capable of holding 150 people,

#### Council resolved:

#### Cr Knowles/Cr Polley

That Council:

- i) Accept the Campbell Town War Memorial Oval Precinct Development Plan Report in principle;
- ii) Table the Development Plan Report at the next meeting of the Campbell Town Local District Committee and advise the Committee that Council has accepted the Report in principle;
- iii) Approve the development of a business plan, with a statewide perspective, to assess the viability of the proposed multipurpose centre;
- iv) Authorise the Manager Economic and Community Development to progress the preparation of the project brief for the business plan, with the funding for the project to be identified within the next budget review.

Carried unanimously

The project brief was developed and after assessing the expressions of interest received, a contract was entered into with Strategy 42 South to undertake the study. Strategy 42 South submitted the outcome of the study, "Campbell Town War Memorial Oval Precinct Redevelopment: Financial and Economic Analysis Report" and at the December 14<sup>th</sup> 2015 Council Meeting, Council resolved:

#### Cr Calvert/Cr Knowles

That Council:

- i) accept in principle the Campbell Town War Memorial Oval Precinct Redevelopment: Financial and Economic Analysis Report;
- ii) approve Council Officers pursuing external funding opportunities to implement the recommendation of the report: being that the Multi-Function Centre is economically feasible:
- iii) seek a business plan with a statewide perspective and further information from the AFL Carried unanimously

In response, Strategy 42 South submitted an appendix to the report: "Indicative Financial Analysis of Multi-Function Centre". This report appendix was discussed at Council's February 2016 Council Workshop.

#### **3 STRATEGIC PLAN 2007/2017**

The Strategic Plan 2007/2017 (2012/2013 Revision) provides the guidelines within which Council operates. The following "Volume 1 – Mapping Our Direction" goal is relevant to this issue: 3.2 Health "To develop the health and well-being of Northern Midlands communities".

#### 4 FINANCIAL IMPLICATIONS

The report states "The capital cost for the Multi-Function Centre has been estimated at \$2.125m, and for the

**15 FEBRUARY 2016** 

club rooms at \$1.540m. Importantly, there is a significant degree of conservatism in the capital cost estimates and there may be opportunities to reduce the capital costs during the detailed design phase."

#### 5 OPTIONS FOR COUNCIL TO CONSIDER

#### Council can

i) request Council officers to call quotes for the design of the Multi-Function Centre:

Or

ii) request Council officers to call quotes for the design of the smaller clubrooms (incorporating change facilities and public toilets).

#### 6 OFFICER'S COMMENTS/CONCLUSION

The objective of this consultancy was to determine if the extent of demand and economic return warrants the development of the proposed multipurpose centre as recommended in the Campbell Town War Memorial Oval Precinct Development Plan Report.

The consultant has determined that the Multi-Function Centre is feasible if a workable co-op management model can be implemented, however, the consultant estimates that model would have an ongoing shortfall of close to \$40,000 per annum after three years.

#### **RECOMMENDATION**

#### That

- i) Council officers call quotes for the design of a staged Multi-Function Centre, incorporating change facilities and public toilets.
- ii) Council prepares an application for the National Stronger Regions funding round.
- iii) Council incorporates in the 2016/2017 budget a funding allocation of \$1.1M, being a 50% contribution to the project.

#### **DECISION**

#### Cr Goninon/Cr Calvert

#### That

- i) Council officers call quotes for the design of the smaller clubrooms (incorporating change facilities and public toilets).
- ii) Council prepare an application for the National Stronger Regions funding round.
- iii) Council incorporates in the 2016/2017 budget a funding allocation of \$750,000, being a 50% contribution to the project.

Carried

#### **Voting for the Motion:**

Mayor Downie, Cr Adams, Cr Calvert, Cr Goninon, Cr Gordon, Cr Knowles, Cr Lambert **Voting against the Motion:** 

**Deputy Mayor Goss** 

### 33/16 NORTHERN MIDLANDS COUNCIL SPECIAL COMMITTEE APPOINTMENTS AND INSURANCE REQUIREMENTS

Responsible Officer: Des Jennings, General Manager Report prepared by: Amanda Mason, Executive Officer

#### 1 PURPOSE OF REPORT

The purpose of this report is to provide Councillors with information regarding its special committees, and also to provide Councillors with information regarding insurance for users of Council facilities and reserves.

#### 2 INTRODUCTION/BACKGROUND

A request was received from Councillor Adams dated 3 February 2016, asking for a list of all Council Committees and Sub-Committees to be provided.

Further, Councillor Adams requested Council's present policy on public liability to be placed in the Agenda and listed for discussion.

An undated letter was received by Council on 29 January 2016 from the Ms Dee Alty in her capacity as Chairperson of the Longford Business & Tourism Association. The letter requested clear guidelines from Council regarding public liability insurance requirements for people using Council owned land and buildings, as well as guidelines for people invited to participate in Council organised events. A copy of the letter is attached to this report.

#### **Special Committees**

At its meeting of 10 November 2014 Council appointed Council representatives to all Committees of Council and outside bodies (Min. Ref. 287/14). A copy of the minute is attached to this report.

Subsequent to the requests of Councillor Adam, Councillor Goninon has requested a list of the dates and times of all meetings of Council's Special Committees be provided to Councillors for their information. That information has been requested from the committees.

#### Insurance

The Northern Midlands Council does not presently have in place a formal policy regarding insurance requirements for event holders, and participants in events on Northern Midlands Council owned land.

As a matter of practice, any person/organisation holding an event within the Northern Midlands Council must have in place their own Public Liability Insurance. Small scale events, such as the gathering of a group for a picnic or BBQ, or a function such as a wedding, can purchase cover under Council's insurance for a nominal fee (\$15 for an event where no alcohol is served, \$50 for an event where alcohol is served). This option is available to individuals or unincorporated bodies who do not have in place their own public liability insurance.

On the occasion where there is an event being held on Council land and the event organiser is engaging third parties to provide services, the third party must have in place public liability insurance, or be covered by the event organiser.

Advice has been received from Council's insurer that in the event the third party is performing a low risk task, then external public liability insurance may not be required. This however, is required to be assessed on a case by case basis.

#### **3 STRATEGIC PLAN 2007/2017**

The Strategic Plan 2007/2017 (2012/2013 Revision) provides the guidelines within which Council operates. The following "Volume 1 – Mapping Our Direction" goals have relevance to this issue:

- 1.1 Governance
- 1.6 Risk Management

#### 4 POLICY IMPLICATIONS

Council is required to have adequate insurance coverage in place at all times.

#### **5 STATUTORY REQUIREMENTS**

N/A

#### **6** FINANCIAL IMPLICATIONS

If Council does not have in place adequate insurance coverage, or, ensure those holding events on Council property have adequate insurance coverage, then Council could be placed at financial risk in the event of an accident.

#### 7 RISK ISSUES

There is a risk to Council, if it does not have in place adequate insurance coverage, or, ensure those holding events on Council property have adequate insurance coverage, that Council will be sued in the event of an accident.

#### 8 CONSULTATION WITH STATE GOVERNMENT

N/A

#### 9 COMMUNITY CONSULTATION

N/A

#### 10 OPTIONS FOR COUNCIL TO CONSIDER

Council can consider whether or not it would like a formal policy in place regarding insurance coverage for events in the Northern Midlands.

#### 11 OFFICER'S COMMENTS/CONCLUSION

Council's Executive Officer works closely with event organisers to ensure that all events are appropriately covered by Public Liability Insurance. Council's insurer is available and willing to answer any questions/clarify advice in respect to issues arising in relation to events and is a useful resource for Council's Executive Officer.

#### 12 ATTACHMENTS

- 12.1 Letter from Longford Business & Tourism Association, undated.
- 12.2 Min. Ref. 287/14 10 November 2014 (Councillor Appointments to Council Committees and outside bodies).
- 12.3 MAV Insurance Policy Schedule.

#### 12.4 Casual Hirers Liability Schedule.

#### **RECOMMENDATION 1**

That Council receive the information provided in this report.

#### **DECISION**

#### **Cr Goninon/Cr Knowles**

That

- i) Council receive the information provided in this report.
- ii) a draft policy for covering insurances for events in the Northern Midlands on council owned land be prepared for Council's consideration.

Carried unanimously

### 34/16 LIGHTING: VELODROME & VILLAGE GREEN IMPROVEMENTS TO CHRISTMAS LIGHTING

Responsible Officer: Des Jennings, General Manager Report prepared by: Des Jennings, General Manager

#### 1 PURPOSE OF REPORT

To seek Council support to instigate a review of the current lighting arrangement for the Christmas and New Year period on the Village Green and the lighting of the Velodrome.

#### 2 INTRODUCTION/BACKGROUND

The Village Green is a central passive recreational area with a number of facilities that attract locals and visitors.

One such attraction is the Christmas lighting of the tree on the corner of Wellington and Archer Streets in Longford.

It has been suggested through community comment to Councillor Andrew Calvert, that the lighting and the tree could do with some updating. Consequently, Councillor Calvert has asked for the matter to be listed on the Council Agenda for consideration.

The introduction of lighting to the velodrome would facilitate additional usage of the facility.

#### 3 STRATEGIC PLAN

The Strategic Plan 2007/2017 (2012/2013 revision) provides the guidelines within which Council operates. The following, "Volume 1 – Mapping Our Direction" goals identified have relevance to this issue:

• Part 1B: Finance

1.13 Asset Management **Part 1B:** Finance

5.3 Community Facilities

#### 4 POLICY IMPLICATIONS

There are no policy implications.

#### **5 STATUTORY REQUIREMENTS**

The site is subject to the provisions of the Planning Scheme. As the sites are within the Heritage Precinct, discretionary planning approval will be required for the erection of a Christmas tree or any free standing lighting. However, decoration of a living tree or existing features/structures would not require further approval.

#### **6** FINANCIAL IMPLICATIONS

A quote has been sought on options for Christmas tree and architectural lighting for Longford Village Green.

#### Costs:

Provide option report for Christmas tree and architectural lighting
 Provide detailed design for preferred lighting scheme and power reticulation design
 \$2,200 (plus GST)
 \$3,500 (plus GST)

Quotes have not as yet been sort for options to illuminate the velodrome.

#### 7 RISK ISSUES

Identified risks include:

- The appeal of the Christmas lighting arrangement diminishes with negative comment from the community.
- Council's inaction to follow-up on community support for a review and upgrade of lighting arrangements.
- Agreed future lighting arrangements are cost effective and installation is risk free.
- The approved and installed lighting arrangement fails to attract community viewing.

#### 8 CONSULTATION WITH THE STATE GOVERNMENT

Consultation may be required with State Roads due to the proximity of the tree to be decorated with Christmas lighting.

#### 9 COMMUNITY CONSULTATION

Community representation has raised the matter through Councillor Andrew Calvert, who has requested a report to Council for decision.

#### 10 OPTIONS FOR COUNCIL TO CONSIDER

Council is to consider whether or not it supports the request for the lighting arrangements to be investigated and reported back to Council.

#### **RECOMMENDATION 1**

Council discuss the matter.

#### **RECOMMENDATION 2**

That Council officers be authorised to investigate suitable lighting arrangements for

- i) the tree and other areas of interest within Village Green; and
- ii) Longford velodrome; and

report back to Council.

#### **DECISION**

#### **Cr Goninon/Cr Knowles**

That the matter be discussed.

Carried unanimously

#### Cr Goss/

That Council officers be authorised to investigate suitable lighting arrangements for

- i) the tree and other areas of interest within Village Green; and
- ii) Longford velodrome
- iii) Longford Recreation Ground
- iv) Morven Park; and report back to Council.

The motion lapsed for want of a seconder

#### **Cr Knowles/Cr Calvert**

That Council officers be authorised to investigate suitable lighting arrangements for

- i) the tree and other areas of interest within Village Green; and
- ii) Longford velodrome; and

report back to Council.

Carried unanimously

Miss Mason left the meeting at 5.44pm.

#### 35/16 LOCAL GOVERNMENT REFORM

Responsible Officer: Des Jennings, General Manager Report prepared by: Des Jennings, General Manager

#### 1 PURPOSE OF REPORT

Councillor Janet Lambert has requested that the matter of Local Government Reform be listed on the February Agenda for Councils consideration.

#### 2 INTRODUCTION/BACKGROUND

Council, at its meetings in April, July, August and September have formally resolved the following:

20 April 2015: Minute Reference 101/15:

### Cr Polley/Cr Goss

That

- Council agrees to collaborate with the councils of Meander Valley and West Tamar in a benchmarking exercise of financial and service delivery measures utilising the services of an independent consultant.
- ii) the General Manager be authorised to engage a project consultant with local government experience.

Carried unanimously

20 July 2015: Minute Reference 191/15:

#### Cr Adams/Cr Knowles

That Council authorise the Mayor to enter into discussions with all Tasmanian Councils that express an interest in respect to potential benchmarking and resource sharing initiatives.

Carried unanimously

#### 17 August 2015: Minute Reference 218/15

#### Cr Polley/Cr Goninon

That the Council

- i) endorse engagement in a benchmarking project involving councils in northern Tasmania which establishes a standardised evidence base providing comparative data on both quantitative and qualitative aspects of operations and identifies areas of potential for resource sharing and other collaboration between councils;
- ii) support the tender process for the feasibility study being open to consultants that are not included on the list of four consultants identified on the Tender Panel;
- iii) the General Manager be authorised to appoint a consultant with suitable local government experience; and
- iv) authorise the General Manager to report back to the September council meeting on a way forward, if no progress has been made on the benchmarking project involving other councils.

Carried unanimously

#### 21 September 2015: Minute Reference 257/15

#### Cr Knowles/Cr Goss

That

- i) the General Manager continue to participate in discussions with the councils to achieve a collaborative approach to the regional benchmarking project.
- ii) the fee offer from CT Managerial Group be noted and a decision on the matter be held in abeyance.

Carried unanimously

#### 3 STRATEGIC PLAN

The Strategic Plan 2007/2017 (2012/2013 revision) provides the guidelines within which Council operates. The following, "Volume 1 – Mapping Our Direction" goals identified have relevance to this issue:

#### Part 1A: Governance

- 1.1 Governance
- 1.3 Community Dialogue
- 1.4 Community Agendas
- 1.8 Regional/State/Federal/International Relations

#### • Part 1B: Governance

- 1.9 Financial Management
- 1.10 Customer Service
- 1.12 Information Management
- 1.13 Asset Management

#### 4 POLICY IMPLICATIONS

There are no policy implications.

#### **5 STATUTORY REQUIREMENTS**

Local Government Act 1993.

#### **6 FINANCIAL IMPLICATIONS**

At the time of writing this report, the estimated cost for the eight Council project is in the vicinity of \$400,000 plus.

The cost for a Financial Sustainability Assessment for the Northern Midlands Council had been received and provided in closed council.

#### **RISK ISSUES** 7

It is critical that the eight councils engage an independent consultant to carry out the benchmarking project to ensure openness and transparency. With projects of this nature it is important to analyse the positives and negatives arising from the investigations.

Each Council must be open to the provision of data to allow its analysis in a consistent fashion that will support meaningful performance measures and benchmarks. Without a consistent approach and process mapping, data collection and input costings the benchmarking project will fail.

The acceptance of Council to proceed with a singular benchmarking project will only allow for comparison with State average and may not provide a clear comparison for judging like services and data (comparing apples with apples).

#### 8 **CONSULTATION WITH THE STATE GOVERNMENT**

As the Minister for Local Government initiated the discussion on local government reform, it is important that the councils keep the Minister for Planning and Local Government, the Hon. Peter Gutwein MP, informed on the progress of the enterprise wide service review and benchmarking project.

#### 9 **COMMUNITY CONSULTATION**

Community consultation would be integral in determining an outcome from the service review and benchmarking project. Outcomes from this project will be utilised to inform future strategic discussion with the community.

Local government faces increasingly demanding and complex community expectations with limited resources and competing demands, it is critical that councils find new ways to plan and deliver services so that local government is sustainable and able to flourish. Strategic collaboration and partnerships are ways that councils can respond to these challenges.

#### **OPTIONS FOR COUNCIL TO CONSIDER** 10

The options for Council to consider, include:

- not to accept the recommendation; i)
- ii) to proceed with the project; or
- iii) accept the proposal with modifications.

#### 11 **OFFICER'S COMMENTS/CONCLUSION**

As background to the report previous Council reports are attached for Council's information.

A copy of the Project Brief: Investigation of Shared Service Model is attached for information and was provided to Minister Peter Gutwein's Office in December 2015. We are currently awaiting a response.

Newspaper articles detailing how the issue of amalgamation and resource sharing are playing out in the media are unable to be circulated as they are subject to copyright.

Councillors, on a number of occasions, have raised for discussion and exploration the Southern council's initiative, the Common Services Joint Venture.

Under this model, councils earn revenue through the provision of services and expertise to other councils. Assisting to minimise future rate increases, improved services and retention of skilled staff.

It is understood that participating councils provide and use the services available at an agreed cost.

Contact has been made with Brighton Council seeking background information on the Common Services Joint Venture. This information will be provided once received.

#### 12 ATTACHMENTS

- i) Council Reports
- ii) Copy of Draft Brief: Investigation of Shared Service Model

#### **RECOMMENDATION 1**

That the matter be discussed.

#### **RECOMMENDATION 2**

That the General Manager continue to participate in discussions with the councils to achieve a collaborative approach to the regional benchmarking project.

#### **DECISION**

#### Cr Knowles/

That the General Manager continue to participate in discussions with the councils to achieve a collaborative approach to the regional benchmarking project.

The motion lapsed for want of a seconder

### Cr Adams/Cr Goninon

That the Mayor and General Manager meet with representatives of the northern councils to ascertain their position on amending the resource sharing modelling project to include modelling of amalgamation options.

Carried

# Voting for the motion:

Mayor Downie, Deputy Mayor Goss, Cr Adams, Cr Calvert, Cr Goninon, Cr Gordon, Cr Lambert **Voting against the motion:** 

**Cr Knowles** 

Mayor Downie adjourned the meeting for the meal break at 6.02pm, at which time Ms Green left the meeting. Mayor Downie reconvened the meeting after the meal break at 6.45pm.

# 36/16 PUBLIC QUESTIONS & STATEMENTS

Regulation 31 of the *Local Government (Meeting Procedures) Regulations 2015* relates to the provision of Public Question Time during a Council meeting. Regulation 31(7) of the Regulations stipulates that "a Council is to determine any other procedures to be followed in respect of public question time at an ordinary council meeting."

Public question time is to commence immediately after the meal break at approximately 6:45pm and is to be conducted in accordance with the following guidelines:

- At each Council Meeting up to 20 minutes, or such longer period as Council may determine by resolution at that meeting, is to be provided for persons at the meeting to ask questions.
- A person seeking to ask a question must firstly identify himself or herself by stating their name and the town they reside in.
- If more than one person wishes to ask a question, the Mayor is to determine the order in which those questions are asked
- Questions must be directed to the Mayor who shall answer or direct the question to the appropriate Councillor or Council Officer. A question will be answered if the information is known otherwise taken on notice and

responded to in writing within 10 working days. Questions should preferably be in writing and provided to the General Manager 7 days prior to the Council Meeting.

- A person is entitled to ask no more than 2 questions on any specific subject. If a person has up to two questions
  on several subjects, the Mayor may defer those questions until other questions have been asked and refer back
  to that person only if time permits.
- Each speaker is limited to a maximum of 3 minutes.

### 1 PUBLIC QUESTIONS

#### Walking Track - William St to George St, Perth

#### Mr John Stagg - Perth

Mr Stagg requested that Council consider completing the Perth Walking Track between William Street and George Street in Perth and noted that Mr McClintock's report had included a walking track from William Street to George Street that incorporated a bridge to cross the creek which would provide the necessary linkage, instead of the walking track currently terminates in William Street Reserve. Mr Stagg expressed the opinion that the project had stalled as a result of the cost of the installation of the bridge; he indicated that he believed that it need not be costly to install a bridge across the creek.

Mr Jennings advised that he would take the question on notice, investigate the matter and provide a response to Mr Stagg in due course.

# 37/16 COUNCIL ACTING AS A PLANNING AUTHORITY

Section 25 (1) of the Local Government (meeting procedures) Regulations require that if a Council intends to act at a meeting as a Planning Authority under the *Land Use Planning and Approvals Act 1993*, the Chairperson is to advise the meeting accordingly.

#### **DECISION**

#### Cr Goninon/Cr Goss

That the Council intends to act as a Planning Authority under the *Land Use Planning and Approvals Act 1993* for Agenda item PLAN 1 – PLAN 2.

Carried unanimously

# 2 STATEMENTS

# PLAN 1 P15-270 - 16523 Midland Highway, Perth

#### **Mr Colin Smith – Woolcott Surveys**

Mr Smith advised that he and his colleagues were in attendance at the meeting in order to respond to any questions which councillors may have in relation to the PLAN 1.

19 February 2016 Approve subject to conditions

# **Discretionary Aspects of the Application**

- Development and use of vehicle fuel sales in the Rural Resource zone.
- Vary front setback from 50m.
- Hazardous use under the Bushfire Code.
- Pole Sign in Rural Resource zone.
- Development within Scenic Corridor.

Planning Instrument: Northern Midlands Interim Planning Scheme 2013

#### **Preliminary Discussion**

Prior to the application being placed on public exhibition, the following additional information was requested from the applicant:

- A description of the manner in which the proposed trans tanks will operate.
- A site plan showing all buildings on the property, the distance of the proposed shed and canopy from the northern and eastern boundaries, and the distance between the proposed area of works and the dam.
- A plan showing the height to the apex of the shed.
- A bushfire hazard management plan incorporating the recommendations of the Bushfire Assessment.
- A corrected title to the Bushfire Assessment Attachment 1 Part 3.
- A Traffic Impact Assessment addressing clause E4.6.1 P3.
- A submission addressing the Scenic Management Code.
- A copy of the Forest Practices Plan as per clause E8.6.1 A2.

Figure 1 - Subject site from Midland Highway

# **3 STATUTORY REQUIREMENTS**

The proposal is an application pursuant to section 57 of the *Land Use Planning & Approvals Act 1993* (i.e. a discretionary application).

Section 48 of the *Land Use Planning & Approvals Act 1993* requires the Planning Authority to observe and enforce the observance of the Planning Scheme.

Section 51 of the *Land Use Planning & Approvals Act 1993* states that a person must not commence any use or development where a permit is required without such permit.

# 4 ASSESSMENT

### 4.1 Proposal

It is proposed to:

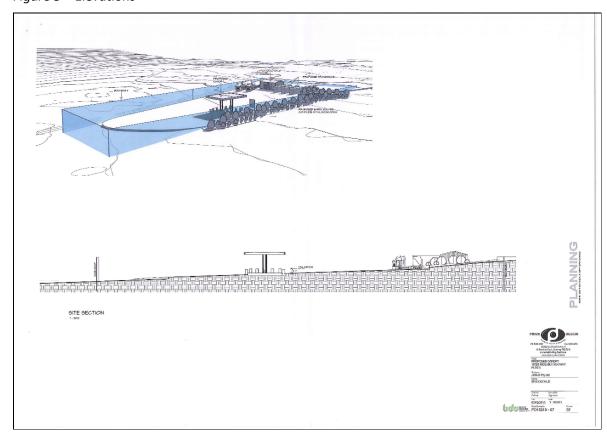

- Install 8 fuel bowsers for 24-hour card access, supplied by above-ground, double-walled trans tanks;
- Construct a 6.45m high canopy, measuring 10m x 12m, over the bowsers;
- Construct a shed measuring 7.4mx 12m with a height of 5.169m to the apex;
- Construct a hardstand area around the site;
- Construct two truck storage areas;
- Construct a 6m high, internally illuminated, pole sign.

Figure 2 – Site Plan

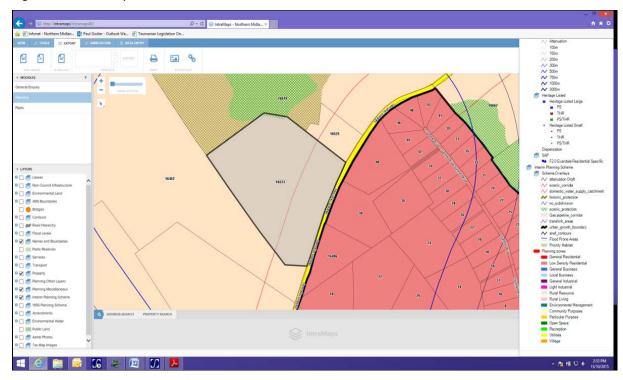

Figure 3 – Elevations

#### 4.2 Zone and land use

Figure 4 - Zone Map - Rural Resource

The land is zoned Rural Resource and is within the Scenic Corridor. The relevant Planning Scheme definition is:

Vehicle fuel sales	use of land primarily for the sale of motor vehicle fuel and lubricants, and if
	the land is so used, the use may include the routine maintenance of vehicles.
	An example is a service station.

Vehicle fuel sales and service is Discretionary in the zone.

Discretionary	
Use Class	Qualification
Vehicle fuels sales and service	

# 4.3 Subject site and locality

The author of this report carried out a site visit on 1 February 2016. The site is part of a 32.9ha title that contains the Digga Excavations depot and a quarry. The property adjoins Island Block and Paving to the north, and is otherwise surrounded by farmland. It is opposite the Devon Hills low density residential estate.

Figure 5 - Aerial photograph of area

### 4.4 Permit/site history

Relevant permit history includes:

- P13-121 Office alterations and additions
- P14-184 Shed
- P14-375 Strata title
- P15-101 Draft amendment 03/15 rezone to light industrial

### 4.5 Representations

Notice of the application was given in accordance with Section 57 of the *Land Use Planning & Approvals Act 1993*. A review of Council's Dataworks system after completion of the public exhibition period revealed that a representation (attached) was received from:

• M Salhani, Perth

Mr Salhani raised concerns about the visual impact of the development. A mediation session was held with Mr Salhani and the applicant. The applicant produced landscape plans showing a vegetated earth mound to be constructed between the site and the highway. It was also noted that given the heights of the surrounding land, the proposed sign will not extend above surrounding ridgelines. Mr Salhani advised that his concerns had been addressed.

# 4.7 Planning Scheme Assessment

An assessment against the planning scheme is contained in the attachments.

#### 5 FINANCIAL IMPLICATIONS TO COUNCIL

Not applicable to this application.

#### 6 OPTIONS

Approve subject to conditions, or refuse and state reasons for refusal.

#### 7 DISCUSSION

Discretion to refuse the application is limited to:

• Development and use of vehicle fuel sales in the Rural Resource zone.

**Comment:** The proposal does not conflict primary industry use and does not take high quality agricultural land out of production. As such it complies with the provisions of the Rural Resource zone.

Vary road setback from 50m to 8m.

**Comment:** The setback may be varied where there is an ability to accommodate a lesser setback to the road having regard to the potential for future upgrading of the road. The Department of State Growth has acquired the land required for the highway upgrade and slip road, resulting in the proposed 8m setback from the acquired road boundary.

Hazardous use under the Bushfire Code.

**Comment:** The applicant has provided a bushfire hazard management plan requiring 2 x 10,000 non-combustible water tanks for fire-fighting, and cleared areas surrounding the site of 100m to the north, 50m to the south, 50m to the east and 100m to the west. These requirements are to be incorporated into any permit issued.

• Pole Sign in Rural Resource zone, Pole Sign over 5m in height.

**Comment:** The landscape of this site and the adjoining Island Block and Paving is characterised by industrial buildings and storage yards set among native vegetation and against the backdrop of a hill. As such it is considered that the sign will not unreasonably dominate the streetscape, and reflects the prevailing character of the area.

• Development within Scenic Corridor.

**Comment:** The highest structures proposed are the fuel canopy at 6.45m (RL211.45m) and the pole sign at 6m (RL211m). These will be set below the hill to the rear which goes to a height of RL250m. The proposed development is consistent with the commercial/industrial development at Digga Excavations and Island Block and Paving and as such is acceptable within the provisions of the Scenic Corridor code.

Conditions that relate to any aspect of the application can be placed on a permit. It is recommended that the application be approved with the conditions below.

#### 8 ATTACHMENTS

- A Application & plans, correspondence with applicant
- **B** Representation
- C Planning scheme assessment

#### **RECOMMENDATION**

That land at 16523 Midland Highway, Perth be approved to be developed and used for a Fuel canopy, fuel bowsers, storage shed, trans tanks, hardstand & internally illuminated pole sign (Vehicle fuel sales and service) - (Scenic Corridor; vary front setback) in accordance with application P15-270, and subject to the following conditions:

#### 1 Layout not altered

The use and development must be in accordance with the endorsed plans numbered **P1** (Drawing No. PD15210-01, Revision 7, Dated 02/02/2016); **P2** (Drawing No. PD15210-02, Revision 7, Dated 02/02/2016); **P3** (Drawing No. PD15210-03, Revision 7, Dated 02/02/2016); **P4** (Drawing No. PD15210-04, Revision 7, Dated 02/02/2016); **P5** (Drawing No. PD15210-05, Revision 7, Dated 02/02/2016); **P6** (Drawing No. PD15210-06, Revision 7, Dated 02/02/2016); **P7** (Drawing No. PD15210-07, Revision 7, Dated 02/02/2016); **P8** (part site plan showing access and parking surface type); and **D1** (Bushfire Hazard Management Plan).

# 2 Access and parking

Prior to commencement of the use, areas set aside for parked vehicles and access lanes as shown on the endorsed plans must be constructed in accordance with the endorsed plans.

# **MINUTES – ORDINARY MEETING**

# **15 FEBRUARY 2016**

#### 3 Bushfire hazard management plan

- 3.1 The use and development of the site must accord with the Bushfire Hazard Management Plan (endorsed document D1).
- 3.2 Prior to the commencement of the use, the recommendations of the Bushfire Hazard Management Plan must be implemented.

### 4 Landscaping

- 4.1 Prior to the commencement of use, landscaping works as shown on the endorsed landscape plan must be completed.
- 4.2 Landscaping works as shown on the endorsed landscape plan must be maintained for the duration of the use.

#### 5 Lighting

Outdoor lighting must be designed, baffled and located to prevent any adverse effect on adjoining land.

#### **DECISION**

#### Cr Goninon/Cr Lambert

That the matter be discussed.

Carried unanimously

### Cr Goninon/Cr Goss

That land at 16523 Midland Highway, Perth be approved to be developed and used for a Fuel canopy, fuel bowsers, storage shed, trans tanks, hardstand & internally illuminated pole sign (Vehicle fuel sales and service) - (Scenic Corridor; vary front setback) in accordance with application P15-270, and subject to the following conditions:

# 1 Layout not altered

The use and development must be in accordance with the endorsed plans numbered **P1** (Drawing No. PD15210-01, Revision 7, Dated 02/02/2016); **P2** (Drawing No. PD15210-02, Revision 7, Dated 02/02/2016); **P3** (Drawing No. PD15210-03, Revision 7, Dated 02/02/2016); **P4** (Drawing No. PD15210-04, Revision 7, Dated 02/02/2016); **P5** (Drawing No. PD15210-05, Revision 7, Dated 02/02/2016); **P6** (Drawing No. PD15210-06, Revision 7, Dated 02/02/2016); **P7** (Drawing No. PD15210-07, Revision 7, Dated 02/02/2016); **P8** (part site plan showing access and parking surface type); and **D1** (Bushfire Hazard Management Plan).

### 2 Access and parking

Prior to commencement of the use, areas set aside for parked vehicles and access lanes as shown on the endorsed plans must be constructed in accordance with the endorsed plans.

### 3 Bushfire hazard management plan

- 3.1 The use and development of the site must accord with the Bushfire Hazard Management Plan (endorsed document D1).
- 3.2 Prior to the commencement of the use, the recommendations of the Bushfire Hazard Management Plan must be implemented.

#### 4 Landscaping

- 4.1 Prior to the commencement of use, landscaping works as shown on the endorsed landscape plan must be completed.
- 4.2 Landscaping works as shown on the endorsed landscape plan must be maintained for the duration of the use.

#### 5 Lighting

Outdoor lighting must be designed, baffled and located to prevent any adverse effect on adjacent land.

#### 6 Signage

The applicant shall liaise with Department of State Growth in relation to the installation of signage restricting the Use of exhaust breaks prior to entry to the site.

Carried unanimously

Cr Goninon declared an interest in item PLAN 2, signed the register and left the meeting at 6.53pm.

39/16 P15-331 - DRAFT AMENDMENT 07/15 2 HUDSON FYSH DRIVE, WESTERN JUNCTION

Responsible Officer: Duncan Payton, Planning & Development Manager

Report prepared by: Paul Godier, Senior Planner

File Number: 202250.1

#### 1 **INTRODUCTION**

This report assesses an application for 2 Hudson Fysh Drive, Western Junction to:

- Amend the planning scheme to, Reduce the required depth of landscaping adjacent to Evandale Road from 20m to at least 8m, provided there is still effective screening of buildings and works from Evandale Road; and
- Develop and use a carpark.

#### **BACKGROUND** 2

**Applicant:** Owner:

Heathydan Pty Ltd S Edmunds & C Suter

Zone: Codes:

General Industrial (Translink Specific Area Plan

Area 1)

Road and Railway Assets; Car Parking and Sustainable Transport; Airports Impact Management code; Signs code

**Classification under the Scheme: Existing Use:** 

Amend the scheme regarding landscaping on the Vacant property, and use and develop the property for

vehicle parking

**Critical Date: Recommendation:** 

Decision whether or not to initiate and certify

needs to be made by 19 February 2016

Initiate and certify the amendment; approve the carpark

**Planning Instrument:** Northern Midlands Interim Planning Scheme 2013

#### **Preliminary Discussion**

Prior to submission of the application, the applicant held discussions with Council officers regarding the proposed amendment.

Figure 1 - Subject site from Evandale Road

#### **3 STATUTORY REQUIREMENTS**

The Land Use Planning & Approvals Act 1993 contains the following provisions:

Section 33 (1) - A person may request a planning authority to amend a planning scheme administered by it.

Section 33 (4) - Where a planning authority decides not to initiate an amendment a person may not request the authority to initiate an amendment which is substantially the same within 2 years.

Section 43A (1) - A person who requests a planning authority to amend a planning scheme may also request the planning authority to consider an application for a permit which would not be allowed if the planning scheme were not amended as requested.

Section 33 (2B) - Before making a decision as to whether or not to initiate an amendment of the planning scheme, the planning authority must consider –

- (a) whether the requested amendment is consistent with the requirements of section 32; and
- (ab) any representation made under <u>section 301</u>, and any statements in any report under <u>section 301</u> as to the merit of a representation, that may be relevant to the amendment; and
- (b) any advice referred to in section 65 of the Local Government Act 1993 received by it.

#### **Comment:**

- (a) Part 5 of this report finds that the draft amendment is consistent with section 32 of the Act.
- (ab) There are no representations under section 30I relevant to the draft amendment.
- (b) This report provides advice in relation to section 65 of the Local Government Act 1993 (advice of qualified persons).

#### 4 PROPOSAL

# 4.1 Proposed Amendment

The applicant seeks to construct a carpark on the property. A carpark is a permitted use, but the scheme requires 20m deep landscaping adjacent to Evandale Road. The applicant seeks to reduce the landscaping to 8.5m deep adjacent to Evandale Road. The scheme does not provide discretion to reduce the landscaping depth, so an amendment to the scheme is sought as described below.

The application proposes to amend the scheme as by adding the highlighted section below:

F1.4.8 Open Space and Landscaping

Acceptable Solutions		Performance Criteria
A1		P1 No performance criteria, except that on 2 Hudson Fysh Drive (CT 146537/2) the setback from Evandale Road may be varied to no less than 8m
a)	20m from Evandale Main Road	provided that there is still effective screening of
b)	7m from the Distributor Road	buildings and works from Evandale Main Road.
c)	3m from an access road	

# 4.2 Proposed Development

The applicant seeks to develop a carpark as indicated below.

Figure 2 – Site Plan

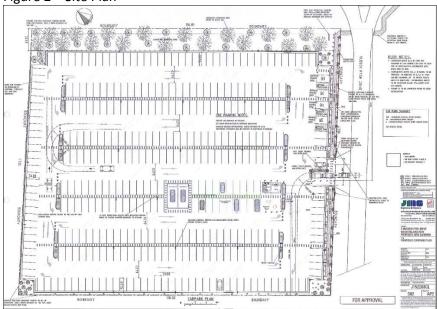

Figure 3 – Elevations

#### 4.3 Zone and land use

The land is zoned *General Industrial (Translink Specific Area Plan Area 1).* The relevant Planning Scheme definition is:

Vehicle parking	Use of land for the parking of motor vehicles. Examples include single and	
	multi-storey car parks.	

# 4.4 Subject site and locality

The author of this report carried out a site visit on 4 February 2016. The site has an area of 1.174ha and is vacant. It has frontage to Evandale Road and Hudson Fysh Drive. The site adjoins Haywards to the rear and vacant land to the side. Over Evandale Road is vacant airport land. Over Hudson Fysh Drive is a car rental site.

Figure 4 - Aerial photograph of area

Figure 5 – subject site from Hudson Fysh Drive

#### 4.5 Permit/site history

None relevant to this application.

#### 4.6 Public Exhibition

Public exhibition of the draft amendment occurs after it has been certified, as per section 38 of the Land Use Planning & Approvals Act 1993:

- (1) After giving to the Commission a copy of a draft amendment of a planning scheme and the instrument certifying that the amendment meets the requirements specified in <u>section 32</u>, the planning authority must –
  - (a) cause a copy of the draft amendment to be placed on public exhibition for a period of 28 days or a longer period agreed to by the planning authority and the Commission; and
  - (b) advertise, as prescribed, the exhibition of the draft amendment.

#### 4.7 Referrals

# **Council's Works & Infrastructure Department**

Precis: Council's Works & Infrastructure Department provided recommended conditions of approval.

#### **TasWater**

<u>Precis:</u> TasWater provided conditions to be placed on the planning permit.

#### **Heritage Adviser**

Not applicable to this application

#### **Tasmanian Heritage Council**

Not applicable to this application

#### **Department of State Growth**

<u>Precis:</u> The Department advised of no objection subject to conditions regarding the footpath from the site to the airport being placed on the permit.

# **Launceston Airport**

**Precis:** The Launceston Airport advised as follows:

Launceston Airport maintain in principle objection to any change of existing caveats of the NMC interim planning scheme 2013. Gradual dilution of the planning provisions by creeping amendment or exemption significantly compromises the original need and sound basis for those caveats. Launceston Airport are particularly concerned by any change to storm water provisions and or signage that would impact upon the rural amenity of the industrial estate as intended when designed.

**Comment:** The Airport's in principle objection to any change to the scheme is noted. However, the planning act allows application to amend the scheme, and provides the criteria for council to assess such a request. An assessment against those provisions, including storm water and signage, is provided in this report.

#### Tasrail (adjoining landowner)

Not applicable to this application

#### **Environmental Health Officer**

Not applicable to this application

# **Natural Resource Management Facilitator**

Not applicable to this application

# **Environment Protection Agency (level 2 under EMPCA)**

#### **Local District Committee**

Not applicable to this application

#### **General Manager**

Not applicable to this application

#### **Minister administering Crown Lands**

Not applicable to this application

#### 5 FINANCIAL IMPLICATIONS TO COUNCIL

Not applicable to this application.

#### 6 OPTIONS

Approve subject to conditions, or refuse and state reasons for refusal.

#### 7 DISCUSSION

#### 7.1 Amendment

The proposal seeks to amend the planning scheme to reduce the required depth of landscaping adjacent to Evandale Road from 20m to at least 8m, provided there is still effective screening of buildings and works from Evandale Road as follows:

### F1.4.8 Open Space and Landscaping

#### Objective:

That open space and landscaping form an integral part of developments to:

- i facilitate the enhanced appearance of buildings and works,
- ii provide screening,
- iii separate activities,
- iv assist in the control of water run-off and erosion,
- v contribute to a reduction in noise levels,
- vi define roads and provide opportunities for passive recreation.

Acc	eptable Solutions	Performance Criteria
a) b) c)	Within Area 1, the following setback distance must be used for landscaping, excluding those areas sealed for driveway access: 20m from Evandale Main Road 7m from the Distributor Road 3m from an access road	P1 No performance criteria, except that on 2 Hudson Fysh Drive (CT 146537/2) the setback from Evandale Road may be varied to no less than 8m provided that there is still effective screening of buildings and works from Evandale Main Road.

The assessment has found that 19 disabled parking spaces are required under the scheme. Four disabled spaces are proposed, which complies with the Australian Standards and the Building Code. It is recommended that the amendment include the following:

#### E6.7.4 Parking for Persons with a Disability

Ob,	Objective	
To ensure adequate parking for persons with a disability.		lity.
Acc	ceptable Solutions	Performance Criteria
A2	One of every 20 parking spaces or part thereoj must be constructed and designated for use by	

persons with disabilities in accordance with Australian Standards AS/NZ 2890.6 2009.

vehicle parking, one of every 100 parking spaces or part thereof must be constructed and designated for use by persons with disabilities in accordance with Australian Standards AS/NZ 2890.6 2009.

#### Assessment for Consistency with Section 32 of the Land Use Planning & Approvals Act 1993

Section 32 of the Land Use Planning & Approvals Act 1993 requires that an amendment of a planning scheme—

Must, as far as practicable, avoid the potential for land use conflicts with use and development permissible under the planning scheme applying to the adjacent area.

**Comment**: The draft amendment seeks allow, for 2 Hudson Fysh Drive, consideration of a reduction in depth of landscaping adjacent to Evandale Road from 20m to at least 8m, provided there is still effective screening of buildings and works from Evandale Road.

Such a change to the landscaping provision does not impact on the objectives of that provision to "facilitate the enhanced appearance of buildings and works, provide screening, separate activities, and define roads". As such it is considered that the draft amendment avoids the potential for land use conflict.

# Must not conflict with the requirements of section 300.

**Comment:** Section 30O requires the amendment to be consistent with the Regional Land Use Strategy, and not to be inconsistent with mandatory provisions.

A review of the RLUS finds that the draft amendment is consistent with the Strategy. The proposed amendment is not inconsistent with mandatory provisions.

Must have regard to the impact that the use and development permissible under the amendment will have on the use and development of the region as an entity in environmental, economic and social terms.

**Comment:** Not applicable. The draft amendment does not make any new use or development permissible.

It is recommended that Council initiate and certify the draft amendment and place it on public exhibition for 28 days.

### 7.2 Planning Application

The planning application for vehicle parking is made under Section 43A of the Land Use Planning & Approvals Act 1993, which allows an application for a permit which would not be allowed if the planning scheme were not amended as requested.

The proposed use is 'vehicle parking' which is a permitted use and development.

#### **Definition:**

Vehicle parking	use of land for the parking of motor vehicles.
	Examples include single and multi-storey car parks.

### F1.3.1 Translink Specific Area Plan - Area 1

Permitted	
Use Class	Qualification
Vehicle parking	

Discretion to refuse the application is limited to:

Variation to the landscaping depth adjacent to Evandale Road from 20m to 8.5m;

# MINUTES – ORDINARY MEETING

**15 FEBRUARY 2016** 

- Development of a pole sign.
- Variation in sign height from 5m to 5.4m.
- Variation to the stormwater provision that the flow rate of stormwater outside the boundaries of the title must be no greater than if the land was used for rural purposes.
- Variation to the disabled parking provisions.

Conditions that relate to any aspect of the application can be placed on a permit.

#### Landscaping

The setback from Evandale Road may be varied to no less than 8m provided that there is still effective screening of buildings and works from Evandale Main Road

**Comment**: The landscape plan adjacent to Evandale Main Road consists of two rows of shrubs with a mature height of 3m and one row of shrubs with a mature height of 2m. Given that the majority of the site is ground level carparking, and the maximum height of the building on site is 5.5m, it is considered that the proposed landscaping will provide effective screening of buildings and works from Evandale Main Road.

#### Pole sign

A pole sign located in the General Industrial Zone must demonstrate that:

- a) the sign is integral to the particular use of the site; and
- b) no other form of permitted signage will meet the needs of the proprietor; and
- c) the sign does not unreasonably dominate the streetscape and reflects the prevailing character of the area, in terms of shape, proportions and colours; and
- d) it does not conflict with the Zone Purpose as outlined in Part D of this planning scheme.

#### **Comment:**

- a) The sign is to advertise 'car parking' and is therefore integral to the use of the site as a car park.
- b) Permitted forms of signage are:
  - Above awning sign; awning fascia sign; below awning sign; building fascia sign; horizontal and vertical projecting wall signs; blade sign. None of these meet the apparent need of the proprietor to provide the greatest amount of advertising for the car park possible.
- c) Signs of similar colours or forms are found at the service station and car rental yards in the area.
- d) The purpose of the General Industrial zone is:
  - 25.1.1.1 To provide for manufacturing, processing, repair, storage and distribution of goods and materials where there may be impacts on neighbouring uses.
  - 25.1.1.2 To focus industrial use and development into appropriate areas suitable for its needs.
  - 25.1.1.3 To provide for 'non-industrial' uses that either support, supply or facilitate industrial development.

As such, a pole sign advertising a car park conflicts with the purpose of the zone.

#### **Stormwater**

The applicant provided storm water calculations that the 1% AEP for a 25 minute rainfall event of 61 mm/hr = 70 l/s in the undeveloped state. In the developed state it is a run off of 168 l/s.

Council's Works & Infrastructure Section considered this and has required storm water drainage plans and calculations to be provided including internal detention for rainfall events up to the 1 in 20 ARI storm.

It is recommended that the application be approved with the conditions below.

#### 10 ATTACHMENTS

- A Application & plans, correspondence with applicant
- B Responses from referral agencies
- C Planning Scheme assessment

#### **RECOMMENDATION**

A. That Council, under section 34 (1) of the *Land Use Planning & Approvals Act 1993*, initiate Draft Amendment 07/15 to amend the planning scheme by adding the highlighted sections below:

#### F1.4.8 Open Space and Landscaping

Acceptable Solutions		Performance Criteria
A1	Within Area 1, the following setback distance	P1 No performance criteria, except that on 2 Hudson
	must be used for landscaping, excluding those	Fysh Drive (CT 146537/2) the setback from Evandale Road
	areas sealed for driveway access:	may be varied to no less than 8m provided that there is still
a)	20m from Evandale Main Road	effective screening of buildings and works from Evandale
b)	7m from the Distributor Road	Main Road.
c)	3m from an access road	

#### E6.7.4 Parking for Persons with a Disability

Objec	tive	
To ensure adequate parking for persons with a disability.		
Acceptable Solutions		Performance Criteria
A2	must be constructed and designated for use by persons with disabilities in accordance with Australian Standards AS/NZ 2890.6 2009.	P2 No performance criteria, except that on 2 Hudson Fysh Drive (CT 146537/2), where used and developed for vehicle parking, one of every 100 parking spaces or part thereof must be constructed and designated for use by persons with disabilities in accordance with Australian Standards AS/NZ 2890.6 2009.

# AND

B. That Council, under section 35 (1) of the *Land Use Planning and Approvals Act 1993*, certify Draft Amendment 07/15 as meeting the requirements of section 32 of the Act, and place it on public exhibition for 28 days, in accordance with section 38 of the Act.

And, if B is approved;

- C. That, under section 43F of the Land Use Planning & Approvals Act 1993, Council resolves that:
  - Land at 2 Hudson Fysh Drive, Western Junction be approved to be developed and used for a Carpark in accordance with application P15-331, and subject to the following conditions:

#### 1 LAYOUT NOT ALTERED

The use and development must be in accordance with the endorsed plans numbered **P1** (Drawing No. 1/8; Revision No. 3, Dated 26.10.15); **P2** (Drawing No. 2/8; Revision No. 3, Dated 26.10.15); **P3** (Drawing No. 3/8; Revision No. 3, Dated 26.10.15); **P4** (Drawing No. 4/8; Revision No. 3, Dated 26.10.15); **P5** (Drawing No. 5/8; Revision No. 3, Dated 26.10.15); **P6** (Drawing No. 6/8; Revision No. 3, Dated 26.10.15); **P7** (Drawing No. 7/8; Revision No. 3, Dated 26.10.15); **P8** (Drawing No. 8/8; Revision No. 3, Dated 26.10.15); **S1** (Drawing No. S01; Revision AP2); **S2** (Drawing No. S02; Revision AP2); **S3** (Drawing No. S03; Revision AP2); **S4** (Drawing No. S04; Revision AP2); **S5** (Drawing No. S05; Revision AP2).

#### 2 AMENDED PLANS REQUIRED

Before application is made for a building permit, amended plans must be submitted. When approved, the plans will be endorsed and will then form part of the permit. The plans must be drawn to scale with dimensions and show:

# **MINUTES – ORDINARY MEETING**

- a) Disabled parking spaces located closest to the main entrance to the building;
- b) Replacement of the pole sign with a blade sign 2.4m high x 1.2m wide.

#### 3 STORMWATER

Prior to the application for a building permit, stormwater drainage plans and calculations from a suitably qualified engineer must be provided to demonstrate that the development can be adequately drained, to the satisfaction of Council's Works and Infrastructure Manager. The design plans shall include internal detention for rainfall events up to the 1 in 20 ARI storm.

#### 4 FOOTPATH

4.1 Prior to the application for a building permit, the developer must have applied to, and received approval from the Northern Midlands Council and the Department of State Growth for the footpath between 2 Hudson Fysh Drive and Airport as shown in the endorsed plan S1.

The application must include design drawings prepared by a suitably qualified engineer for the footpath detailing:

- i) Footpaths to a minimum of 2m wide and of concrete construction.
- ii) Access ramps provided at all interfaces between footpath and kerb/roadway.
- iii) Walkways across Hudson Fysh Drive and Evandale Road located through the existing roundabout splitter islands via modification to provide flush walkways with a minimum width of 2m.
- iv) The new footpath connecting fully to the existing footpath within the Airport property boundary
- v) Tactile Ground Surface Indicators provided at all pedestrian holding points in accordance with relevant Australian Standards and Disability Discrimination Act requirements
- vi) Provision of pedestrian warning signage on each Evandale Road approach to the existing roundabout
- vii) Confirmation that existing street lighting levels at the roundabout are sufficient to light the new pedestrian crossing points to Australian Standard Category V5. If this cannot be attained, the design plans must detail additional street lightning to meet the minimum V5 Category.
- viii) Any stormwater drainage, including underground stormwater reticulation that is directed to the State Road reserve.
- 4.2 Engineering drawings detailing the above requirements must be provided to the Department of State Growth at the preliminary design stage for review and acceptance prior to submitting final detail design drawings along with an application for a Works Permit.
- 4.3 Prior to the application for a certificate of occupancy, the footpath between 2 Hudson Fysh Drive and the airport must be completed to the approval of the Northern Midlands Council and the Department of State Growth.

#### 5 CAR PARKING

#### 5.1 Car Park Plans

Prior to the application for a building permit, construction plans shall be submitted to the approval of the council for the carpark which shall include levels so that the car park can be used in accordance with the plans.

#### 5.2 Car Park

Prior to commencement of the use, areas set aside for parked vehicles and access lanes as shown on the endorsed plans must be constructed in accordance with the endorsed plans, including:

- Where parking spaces are adjacent to pedestrian paths, separation by wheel stops, kerbs, bollards or other protective devices;
- All-weather seal coat surface.
- Concrete kerbs and channels.

# MINUTES – ORDINARY MEETING

# **15 FEBRUARY 2016**

Painting of linemarking and symbols.

### 5.3 Lighting of Car Park

The lighting of the car park area must be located and designed so that no direct light is emitted outside the site.

#### 6 COUNCIL'S WORKS & INFRASTRUCTURE DEPARTMENT CONDITIONS

#### 6.1 Access

An access shall constructed in accordance with the approved design plans.

Access works must not commence until an application for vehicular crossing has been approved by Council.

#### 6.2 As constructed information

As Constructed Plans and Asset Management Information must be provided in accordance with Council's standard requirements.

#### 6.3 Municipal standards & certification of works

Unless otherwise specified within a condition, all works must comply with the Municipal Standards including specifications and standard drawings. Any design must be completed in accordance with Council's subdivision design guidelines to the satisfaction of the Works & Infrastructure Department. Any construction, including maintenance periods, must also be completed to the approval of the Works & Infrastructure Department.

#### 6.4 Works in Council road reserve

Works must not be undertaken within the public road reserve, including crossovers, driveways or kerb and guttering, without prior approval for the works by the Works & Infrastructure Manager.

Twenty-four (24) hours' notice must be given to the Works & Infrastructure Department to inspect works within road reserve, and before placement of concrete or seal. Failure to do so may result in rejection of the vehicular access or other works and its reconstruction.

### 6.5 Pollutants

The developer/property owner must ensure that pollutants such as mud, silt or chemicals are not released from the site.

Prior to the commencement of the development works the developer/property owner must install all necessary silt fences and cut-off drains to prevent soil, gravel and other debris from escaping the site. Material or debris must not be transported onto the road reserve (including the naturestrip, footpath and road pavement). Any material that is deposited on the road reserve must be removed by the developer/property owner. Should Council be required to clean or carry out works on any of their infrastructure as a result of pollutants being released from the site the cost of these works may be charged to the developer/property owner.

#### 6.6 Naturestrips

Any new naturestrips, or areas of naturestrip that are disturbed during construction, must be topped with 100mm of good quality topsoil and sown with grass. Grass must be established and free of weeds prior to Council accepting the development.

#### 7 TASWATER CONDITIONS

Sewer and water services must be provided in accordance with TasWater's Planning Authority Notice (reference number TWDA 2015/01865-NMC).

#### 8 LANDSCAPING

Landscaping works as shown on the landscape plan shall be completed within three months from date of the Certificate of Completion and then maintained for the duration of the use.

#### 9 PROXIMITY TO AIRPORT

- **9.1** Direct external lighting must not be visible above 3 degrees from the horizontal plane, applicable in all directions.
- **9.2** Crane operations are limited within the vicinity of the airport and approval to operate a crane that may intrude into the protected airspace is required.

#### 10 ACOUSTIC TREATMENT

Prior to commencement of use, the applicant must demonstrate by a report from an acoustic engineer, that noise from aircraft, when measured from inside the office is no more than 70dB(A).

#### **DECISION**

#### Cr Goss/Adams

A. That Council, under section 34 (1) of the Land Use Planning & Approvals Act 1993, initiate Draft Amendment 07/15 to amend the planning scheme by adding the highlighted sections below:

#### F1.4.8 Open Space and Landscaping

Acceptable Solutions		Performance Criteria
A1	Within Area 1, the following setbac	ckP1 No performance criteria, except that on 2
dist	ance must be used for landscaping, excluding	gHudson Fysh Drive (CT 146537/2) the setback from
thos	se areas sealed for driveway access:	Evandale Road may be varied to no less than 8m
a)	20m from Evandale Main Road	provided that there is still effective screening of
b)	7m from the Distributor Road	buildings and works from Evandale Main Road.
c)	3m from an access road	

### E6.7.4 Parking for Persons with a Disability

Objective	
To ensure adequate parking for persons with a disc	ability.
Acceptable Solutions	Performance Criteria
thereof must be constructed and designated for use by persons with disabilities in accordance with Australian Standards AS/NZ 2890.6 2009.	P2 No performance criteria, except that on 2 Hudson Fysh Drive (CT 146537/2), where used and developed for vehicle parking, one of every 50 parking spaces or part thereof must be constructed and designated for use by persons with disabilities in accordance with Australian Standards AS/NZ 2890.6 2009.

#### AND

B. That Council, under section 35 (1) of the *Land Use Planning and Approvals Act 1993*, certify Draft Amendment 07/15 as meeting the requirements of section 32 of the Act, and place it on public exhibition for 28 days, in accordance with section 38 of the Act.

AND, IF B IS APPROVED;

C. That, under section 43F of the Land Use Planning & Approvals Act 1993, Council resolves that:

Land at 2 Hudson Fysh Drive, Western Junction be approved to be developed and used for a Carpark in accordance with application P15-331, and subject to the following conditions:

# 1 LAYOUT NOT ALTERED

The use and development must be in accordance with the endorsed plans numbered **P1** (Drawing No. 1/8; Revision No. 3, Dated 26.10.15); **P2** (Drawing No. 2/8; Revision No. 3, Dated 26.10.15); **P3** (Drawing No. 3/8; Revision No. 3, Dated 26.10.15); **P4** (Drawing No. 4/8; Revision No. 3, Dated 26.10.15); **P5** (Drawing No. 5/8; Revision No. 3, Dated 26.10.15); **P6** (Drawing No. 6/8; Revision No. 3, Dated 26.10.15); **P7** (Drawing No. 7/8;

Revision No. 3, Dated 26.10.15); **P8** (Drawing No. 8/8; Revision No. 3, Dated 26.10.15); **S1** (Drawing No. S01; Revision AP2); **S2** (Drawing No. S02; Revision AP2); **S3** (Drawing No. S03; Revision AP2); **S4** (Drawing No. S04; Revision AP2); **S5** (Drawing No. S05; Revision AP2).

### 2 AMENDED PLANS REQUIRED

Before application is made for a building permit, amended plans must be submitted. When approved, the plans will be endorsed and will then form part of the permit. The plans must be drawn to scale with dimensions and show:

- a) 7 Disabled parking spaces located closest to the main entrance to the building;
- b) Replacement of the pole sign with a blade sign 2.4m high x 1.2m wide.

#### 3 STORMWATER

Prior to the application for a building permit, stormwater drainage plans and calculations from a suitably qualified engineer must be provided to demonstrate that the development can be adequately drained, to the satisfaction of Council's Works and Infrastructure Manager. The design plans shall include internal detention for rainfall events up to the 1 in 20 ARI storm.

#### 4 FOOTPATH

**4.1** Prior to the application for a building permit, the developer must have applied to, and received approval from the Northern Midlands Council and the Department of State Growth for the footpath between 2 Hudson Fysh Drive and Airport as shown in the endorsed plan S1.

The application must include design drawings prepared by a suitably qualified engineer for the footpath detailing:

- i) Footpaths to a minimum of 2m wide and of concrete construction.
- ii) Access ramps provided at all interfaces between footpath and kerb/roadway.
- iii) Walkways across Hudson Fysh Drive and Evandale Road located through the existing roundabout splitter islands via modification to provide flush walkways with a minimum width of 2m.
- iv) The new footpath connecting fully to the existing footpath within the Airport property boundary
- v) Tactile Ground Surface Indicators provided at all pedestrian holding points in accordance with relevant Australian Standards and Disability Discrimination Act requirements
- vi) Provision of pedestrian warning signage on each Evandale Road approach to the existing roundabout
- vii) Confirmation that existing street lighting levels at the roundabout are sufficient to light the new pedestrian crossing points to Australian Standard Category V5. If this cannot be attained, the design plans must detail additional street lightning to meet the minimum V5 Category.
- viii) Any stormwater drainage, including underground stormwater reticulation that is directed to the State Road reserve.
- **4.2** Engineering drawings detailing the above requirements must be provided to the Department of State Growth at the preliminary design stage for review and acceptance prior to submitting final detail design drawings along with an application for a Works Permit.
- 4.3 Prior to the application for a certificate of occupancy, the footpath between 2 Hudson Fysh Drive and the airport must be completed to the approval of the Northern Midlands Council and the Department of State Growth.
- **5 CAR PARKING**
- 5.1 Car Park Plans

Prior to the application for a building permit, construction plans shall be submitted

# MINUTES – ORDINARY MEETING

# **15 FEBRUARY 2016**

to the approval of the council for the carpark which shall include levels so that the car park can be used in accordance with the plans.

#### 5.2 **Car Park**

Prior to commencement of the use, areas set aside for parked vehicles and access lanes as shown on the endorsed plans must be constructed in accordance with the endorsed plans, including:

- Where parking spaces are adjacent to pedestrian paths, separation by wheel stops, kerbs, bollards or other protective devices;
- All-weather seal coat surface.
- Concrete kerbs and channels.
- Painting of linemarking and symbols.

#### **5.3 Lighting of Car Park**

The lighting of the car park area must be located and designed so that no direct light is emitted outside the site.

#### **COUNCIL'S WORKS & INFRASTRUCTURE DEPARTMENT CONDITIONS** 6

#### 6.1 **Access**

An access shall constructed in accordance with the approved design plans. Access works must not commence until an application for vehicular crossing has been approved by Council.

#### **6.2** As constructed information

As Constructed Plans and Asset Management Information must be provided in accordance with Council's standard requirements.

#### 6.3 Municipal standards & certification of works

Unless otherwise specified within a condition, all works must comply with the Municipal Standards including specifications and standard drawings. Any design must be completed in accordance with Council's subdivision design guidelines to the satisfaction of the Works & Infrastructure Department. Any construction, including maintenance periods, must also be completed to the approval of the Works & Infrastructure Department.

#### 6.4 **Works in Council road reserve**

Works must not be undertaken within the public road reserve, including crossovers, driveways or kerb and guttering, without prior approval for the works by the Works & Infrastructure Manager.

Twenty-four (24) hours' notice must be given to the Works & Infrastructure Department to inspect works within road reserve, and before placement of concrete or seal. Failure to do so may result in rejection of the vehicular access or other works and its reconstruction.

#### 6.5 **Pollutants**

The developer/property owner must ensure that pollutants such as mud, silt or chemicals are not released from the site.

Prior to the commencement of the development works the developer/property owner must install all necessary silt fences and cut-off drains to prevent soil, gravel and other debris from escaping the site. Material or debris must not be transported onto the road reserve (including the nature strip, footpath and road pavement). Any material that is deposited on the road reserve must be removed by the developer/property owner. Should Council be required to clean or carry out works on any of their infrastructure as a result of pollutants being released from the site the cost of these works may be charged to the developer/property owner.

#### 6.6 **Naturestrips**

Any new naturestrips, or areas of naturestrip that are disturbed during

construction, must be topped with 100mm of good quality topsoil and sown with grass. Grass must be established and free of weeds prior to Council accepting the development.

#### 7 TASWATER CONDITIONS

Sewer and water services must be provided in accordance with TasWater's Planning Authority Notice (reference number TWDA 2015/01865-NMC).

#### 8 LANDSCAPING

Landscaping works as shown on the landscape plan shall be completed within three months from date of the Certificate of Completion and then maintained for the duration of the use, with vegetation to be of a type as to not attract birds.

#### 9 PROXIMITY TO AIRPORT

- **9.1** Direct external lighting must not be visible above 3 degrees from the horizontal plane, applicable in all directions.
- **9.2** Crane operations are limited within the vicinity of the airport and approval to operate a crane that may intrude into the protected airspace is required.

#### 10 ACOUSTIC TREATMENT

Prior to commencement of use, the applicant must demonstrate by a report from an acoustic engineer, that noise from aircraft, when measured from inside the office is no more than 70dB(A).

Carried unanimously

# 37/16 COUNCIL ACTING AS A PLANNING AUTHORITY – CESSATION

#### RECOMMENDATION

That the Council cease to act as a Planning Authority under the *Land Use Planning and Approvals Act 1993*, for the remainder of the meeting.

# **DECISION**

#### Cr Goss/Cr Gordon

That the Council cease to act as a Planning Authority under the *Land Use Planning and Approvals Act 1993*, for the remainder of the meeting.

Carried unanimously

*Cr Goninon returned to the meeting at 6.57pm.* 

# 40/16 MEMBERSHIP OF NORTHERN REGIONAL WASTE MANAGEMENT GROUP

Responsible Officer: Wayne Chellis – Works & Infrastructure Manager
Officer: Jonathan Galbraith – Engineering Officer

### 1 PURPOSE OF REPORT

The purpose of this report is to provide Council with information regarding membership of the Northern Regional Waste Management Group.

#### 2 INTRODUCTION

In September 2007, all eight participating councils of Northern Tasmanian Development (Northern Midlands, Flinders Island, Meander Valley West Tamar, Launceston, George Town, Dorset and Break O Day) committed to a waste management agreement for northern Tasmania. This included a commitment that the Northern Tasmanian Waste Management Group (NTWMG) be responsible delivering waste and recycling programs on behalf of the region's member councils.

Member Councils pay a levee on all waste from their municipal area which is delivered to the Launceston Waste Centre (Remount Rd landfill site). The current Regional Waste Management Agreement expires on 30 June 2016. The agreement requires each Council to consider renewal prior to expiry of the agreement. Northern Midlands Council have been requested to provide feedback on whether they wish to remain as part of the group and whether they have any changes / inclusions to suggest for the future agreement.

#### **3 STRATEGIC PLAN 2007-2017**

Section 5.7 of Councils strategic plan 2007 – 2017 is relevant to this item

#### 4 ROLE OF THE NORTHERN REGIONAL GROUP

Representatives of each Council in the group meet approximately 6 times per year and the wages of two staff based at the Launceston City Council are partly funded by the Waste Management Group to provide support and advice on Waste Management issues throughout the region.

The NTWMG works to achieve improvements in waste reduction and resource recovery, improve regional cooperation and coordination of waste services, oversee waste management policy setting and service delivery, and coordinate community education.

#### 5 RECENT PROJECTS CARRIED OUT BY THE NORTHERN REGIONAL WASTE MANAGEMENT GROUP

Some recent projects include:

- Audits of recycling bins throughout the northern region to better educate residents on good recycling practice – These audits are ongoing and have led to a significant improvement in the amount of contamination in kerbside recycling
- Subsidy of e-waste recycling at Council Waste Transfer Stations
- Investigations into providing a kerbside greenwaste recycling services
- Education sessions for schools, community groups etc.
- TV and radio advertising

#### **6 FINANCIAL IMPLICATIONS**

Council currently pay \$5.00 per tonne for waste which is disposed of at the Launceston Waste Centre, which equates to \$21,000 per year, depending on the amount of waste sent to the site. This is considered to be good value for money for the service that the Regional Waste Management Group provides.

#### 7 RISK ISSUES

There are no significant risk issues associated with this proposal.

### **8 ATTACHMENTS**

Regional Waste Management Agreement

#### **RECOMMENDATION**

That Council write to the Northern Regional Waste Management Group and advise that Council wish to continue their membership of the Northern Regional Waste Management Group

#### **DECISION**

#### Cr Lambert/Cr Goninon

That the matter be discussed.

Carried unanimously

#### Cr Knowles/Cr Goss

That Council write to the Northern Regional Waste Management Group advising that Council wish to continue their membership of the Northern Regional Waste Management Group.

Carried unanimously

# 41/16 MONTHLY FINANCIAL STATEMENT

File: Subject 24/023

Prepared by: Maree Bricknell, Corporate Services Manager

#### 1 PURPOSE OF REPORT

The purpose of this report is to present the monthly financial reports as at 31st January 2016.

# 2 INTRODUCTION/BACKGROUND

The Corporate Services Manager circulated a copy of the Monthly Financial Summary for the period ended 31st January 2016.

# 3 ALTERATIONS TO 2015-16 BUDGET

Following a mid-year budget review of income and expenditure items the following alterations/variances are highlighted and explained:

#### 3.1 GENERAL FUND

#### 1. Bank Interest

Budgeted revenue from bank interest during 2015-16 was calculated at 2.25%, however given the advance grant funding received early in the year Council's projected Interest revenue is expected to be approximately \$125,000 in excess of budget by the end of June 2016.

### 2. Human Resources

Additional allocation of \$24,400 is required to fund the part time position to 30 June 2016 and additional HR consultancy expenses.

#### 3. Consultancy

Project Consultancy allocation of \$120,000 has been increased by \$35,000 from third party contributions, and fully allocated to projects listed in the table below.

#### 4. Workers Compensation

Workers Compensation Insurance increased due to some large projected payouts by approximately \$70,843 in excess of budget – employee oncost rates will need to be reviewed in the 2016/17 budget period.

#### 5. Property

Property sale income, contributed assets revenue budget to be provided, \$360,000.

#### 6. Property Disposals

Loss on disposal of property/assets to be budgeted \$180,000.

#### 7. General Rates Revenue

General Rates raised during this financial year are summarised below:

	Budget	Actual	
Rate Run and supplementary Adjustments	\$ 8,262,747	\$ 8,289,988	
Interest & Penalty	\$ 45,000	\$ 48,864	
	\$ 8,307,747	\$ 8,338,852	

General Rate Revenue has been received close to budgeted for the 2015-16 financial period, except that there is a need to make provision for a doubtful debt for some \$350,000.

# 8. Base Government Grants

Base Government Grants allocation need to be reduced as follows:

•	Advance payment reduction adjustment	\$697,195
•	Revenue reduced allocation	\$141,359

#### 9. Liability Certificate Income

With property sales continuing on a steady basis, the Rate Certificate income is expected to exceed budget by approximately \$10,000 by 30 June 2016.

#### 10. Childcare Services

An income and expenditure budget is required for a federally funded maternity leave and workers compensation reimbursements \$29,200, as well as an adjustment to the annual grant amount of \$1,630.

### 11. Youth

With review of the Youth Program a budget of \$24,000 has been reallocated to the employment of a Tourism/Events Special Projects Officer on a part time basis.

### 12. Northern Midlands Sports Centre

A formal lease has been agreed to with the Centre Manager, and funds paid will be reinvested into the centre.

#### 13. Tourism

A budget is required for the contributions and expenditure associated with the Ben Lomond

Skifield Study of \$15,000.

Funding for operating costs for public WiFi will be allocated from Tourism Other Projects \$2,000.

Budget allocation is required for Grant Income for the Heart Foundation LG Award, and its associated expenditure at the Longford Turbomeet \$2,000.

Budget allocation is required for the Longford Small Hall Folk Festival sale of tickets and refreshments, and associated expenditure \$5,000.

Budget allocation is required for the Grant Income for Australia Day celebrations, and associated expenditure of \$2,000.

Increased budget for Regional Tourism Organisation subscription funded from Tourism Other projects \$4,720.

### 14. Economic Development

A budget reallocation from the Economic Development Committee to the engagement of a Longford Placemaking Champion of \$8,600 is required.

# 15. NRM Program

TEER Riverbank Erosion at Mill Dam Stage 1 \$11,000; Stage 2 \$8,081; and Green Army Stage 4 \$9,675 - Total \$28,756. These stages to be funded from stakeholder contributions and Council contribution from reallocation of savings in Building/Plumbing/Health wages \$24,000 and \$4,756 from Mill Dam maintenance account.

#### 16. Works & Infrastructure Income & Expenditure

#### Income

Employee Training Grant revenue exceeds budget by \$8,455.

TasWater reimbursement income received \$5,835.

Lake River Riverworks rates not raised this year as directed by management committee requiring a budget adjustment to rate revenue and associated expenditure of \$15,090.

Road Grant revenue adjustments include:

Advance payment reduction adjustment Roads \$772,219
 Revenue reduced allocation Roads \$24,065
 Advance payment reduction adjustment Bridges \$327,830
 Revenue reduced allocation Bridges \$8,638

Capital works supervision/administration allocation adjustment \$351,200.

### **Expenditure**

Budget adjustment required for Road depreciation expense increase of \$298,080 and for Bridge depreciation expense increase of \$56,140.

### 17. Capital Works - Recreation

Budget allocation to Falls Park fence/hedge improvements deferred \$20,000.

#### 18. Public Building Improvement Program (PBI)

An amount of approximately \$55,000 has been committed from the \$120,000 Public Building Improvement budget to date.

The restoration of the Campbell Town Old Pump Station project has been reduced by \$25,000.

# MINUTES – ORDINARY MEETING

**15 FEBRUARY 2016** 

#### 19. Capital Works - Roads, Bridges and Stormwater

Blackspot and Vulnerable Road User Capital Grant revenue of \$92,050 successfully obtained for improvements to intersections at Perth.

Lake River Bridge (Bridge No. 7350) replacement to be funded from:

- Successful application under Bridge Replacement Grant Program for \$719,500
- Council allocation for \$719,500.

Macquarie Road reconstruction projects for Ch 32.940 to Chn 34.215 deferred pending legal negotiations, and reconstruction of Ch 10.68 to Chn 12.075 at a cost of \$275,000 to be brought forward into the 2015/16 period.

An additional budget allocation of \$10,000 is required to fund the sealing of Brickendon Street, Longford from Cressy Road to Catherine Street (adjacent to the Dog Park) to alleviate dust, delineate between the road and carparking area, and remove the problem of grading such a small section of road between two sealed intersections.

#### 19. Capital Works - Deferred

The following projects have been deferred until 2015-16 financial period:

- Campbell Town War Memorial Recreation Ground Building improvements awaiting business case assessment \$600,000.
- Frederick Street Perth stormwater upgrade \$140,000 deferred awaiting further investigation, and reallocate budget to Seccombe Street Perth stormwater extension between Minerva Drive and Fairtlough Street \$55,000 and balance to stormwater management plans engineering.

### 20. New Projects

New capital budget allocations are requested for:

• Construction of an Archives Storage Building at the Longford Depot at a cost of \$50,000.

Future large projects to be funded in coming budget periods include:

- Translink Stormwater upgrade works costs to be determined.
- West Perth Stormwater upgrade works costs to be determined.
- Campbell Town Recreation Ground Re-development costs to be determined.

As at 31<sup>st</sup> December 2016 Council had a budgeted operating deficit of \$68,294 and with the budget review items listed above an operating <u>deficit</u> of \$362,291 is expected (deficit of \$12,291 without provision for doubtful debt).

The capital works adjustments are funded from reallocation of current works.

# 4 OFFICERS COMMENTS

Copies of the financial reports are also made available at the Council office.

# 5 ATTACHMENTS

- 5.1 Income & Expenditure Summary for period ending 31st January 2016.
- 5.2 Budget Review Report as at 31st December 2015.

#### **RECOMMENDATION**

#### That Council

- 1. receive and note the Monthly Financial Report for the period ending 31st January 2016; and
- 2. approve the Budget Review alterations as listed above in section 3.

#### **DECISION**

#### **Cr Goninon/Cr Knowles**

#### **That Council**

- 1. receive and note the Monthly Financial Report for the period ending 31<sup>st</sup> January 2016;
- 2. approve the Budget Review alterations as listed above in section 3, including the following:
  - a) amendment to item 3.1: an additional \$15,000 Interest Penalty on rates; resulting in a budget deficit of \$347,291 (or surplus of \$2,709 excluding the Airport doubtful debt provision).
  - b) Lake River Bridge (Bridge No. 7350) replacement to be funded from:
    - successful application under Bridge Replacement Grant Program for \$719,500
    - Council allocation for \$719,500.

Carried unanimously

# 42/16 P14-213 – EARTHWORKS & P15-098 – SHED 18 LOGAN ROAD, EVANDALE

File: 202700.1

Responsible Officer: Duncan Payton, Planning & Development Manager

Report prepared by: Paul Godier, Senior Planner

### 1 PURPOSE OF REPORT

This report advises Council that appeals have been lodged against the refusal of the development applications, and that mediation has been held between the parties. Revisions to the plans have resulted in a consent agreement being proposed.

#### 2 INTRODUCTION/BACKGROUND

Council refused the development applications at its December 2015 meeting on the following grounds:

- The proposal to raise the land by up to 2m for the use of recycling and waste disposal adjacent to the Logan Road residential properties will result in a visual appearance inconsistent with the local area in terms of the visual impacts of storage of material or equipment and the desired future character statement that the visual impacts of use and development within the rural landscape are to be minimised such that the effect is not obtrusive, contrary to clause 26.3.1 P5 c) and e).
- The visual impact of the proposed 4.5m high shed on 2m of fill, 5m from residential boundaries, is inconsistent with the local area having regard to the desired future character statement that the visual impacts of use and development within the rural landscape are to be minimized such that the effect is not obtrusive, contrary to clause 26.3.1 P5 e).

The applicant lodged two appeals, one against each refusal. Council advised all representors to both applications of the appeal, and Ms S Krushka joined as a party to the appeal.

Figure 1 – original height of fill 2m

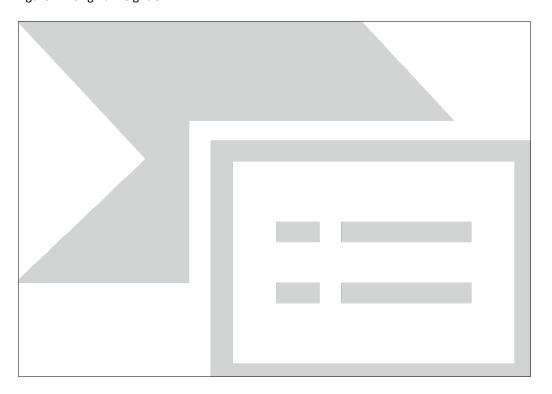

Figure 1a – height of fill reduced to 2.0m – agreed to Mr Woof and Ms Krushka

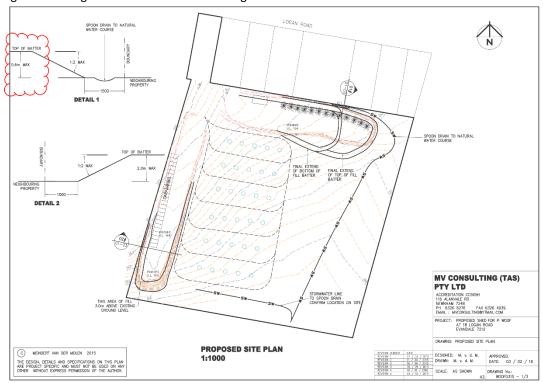

Figure 2 - Original location of shed

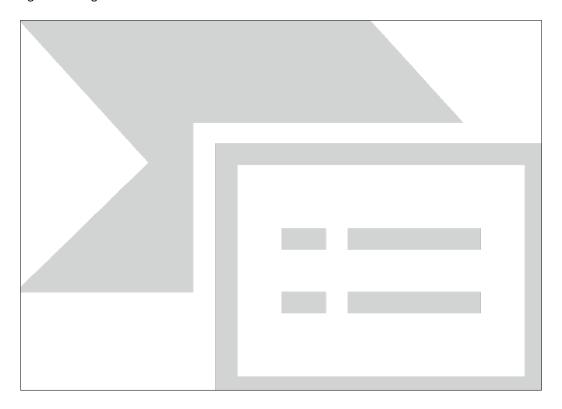

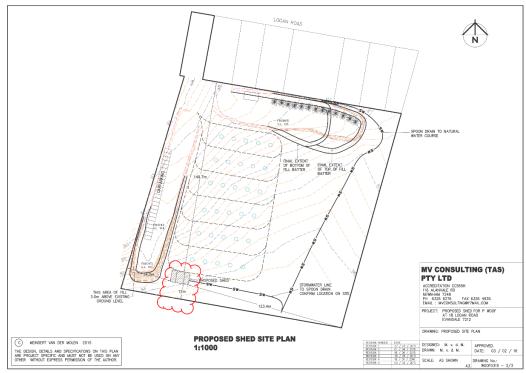

Figure 2a – shed moved to southern part of the property – agreed to Mr Woof and Ms Krushka

#### **3 STRATEGIC PLAN 2007/2017**

The Strategic Plan 2007/2017 (2012/2013 Revision) provides the guidelines within which Council operates. The following "Volume 1 – Mapping Our Direction" goals have relevance to this issue:

• 4.3 Development Control

#### 4 POLICY IMPLICATIONS

None.

#### 5 STATUTORY REQUIREMENTS

5.1 S. 61 Land Use Planning & Approvals Act – Appeals against planning decisions

#### **6** FINANCIAL IMPLICATIONS

The cost of these appeals is within the budget allocation.

#### 7 RISK ISSUES

None identified.

#### 8 CONSULTATION WITH STATE GOVERNMENT

None required.

#### 9 COMMUNITY CONSULTATION

The original applications were placed on public notification. Representations were received from adjoining owners. Ms. S. Krushka's dwelling is closest to the filled land and she agrees with the reduction in height from 2m to 0.6m.

#### 10 OPTIONS FOR COUNCIL TO CONSIDER

Council can form the view that the proposed changes to the plans:

- 1) address its concerns regarding the impact of the fill and shed on the properties adjoining Logan Road and resolve the appeal by a consent agreement; or
- 2) do not address its concerns regarding the impact of the fill and shed on the properties adoining Logan Road and allow the matter to be determined by a hearing of the Resource Management and Planning Appeal Tribunal.

#### 11 OFFICER'S COMMENTS/CONCLUSION

The original proposal was to fill the land by up to 2m. Discussion between the parties to the appeal has resulted in agreement that the land be filled up to 0.6m on the western boundary of Ms Krushka's property. It was also agreed that the shed be moved to the southern part of the property, adjacent to farmland.

It is considered that the amended plans address the concerns with regard to the impact of the fill and the shed on the properties along Logan Road.

#### 12 ATTACHMENTS

- 12.1 Notice of Appeal
- 12.2 Amended plans

#### **RECOMMENDATION 1**

That the matter be discussed.

#### **RECOMMENDATION 2**

That Council grant the Planning & Development Manager the authority to sign a consent agreement approving applications P14-213 and P15-098 subject to the following conditions:

a) That land at 18 Logan Road, Evandale be approved to be developed and used for earthworks, storage of used materials (recycling and waste disposal) & carparking for Evandale Market (vehicle parking) (retrospective) in accordance with application P14-213, and subject to the following conditions:

#### 1 Layout not altered

The use and development shall be in accordance with the endorsed plan numbered **P1** (*Proposed Site Plan, Drawing No: WOOF0315 – 1/3, Revision 5 03/02/2016*).

#### 2 Council's Works & Infrastructure Department conditions

- 2.1 Stormwater from the site shall be contained within the site and not discharged onto neighbouring properties.
- 2.2 The applicant shall provide design drawings for a detention/dispersal designed by a suitably qualified engineer for assessment by Council.
- 2.3 Any required upgrades to the stormwater system shall be completed within 6 months of the date of the permit.

#### 3 Landscaping completion and maintenance

- 3.1 Landscaping works as shown on the endorsed plans must be completed within six months from date of the permit.
- 3.2 Landscaping works as shown on the endorsed plans must be maintained for the duration of the use.

#### 4 Storage

Materials stored in the storage area must be stored to a height of no more than 1.5 metres.

b) That land at 18 Logan Road, Evandale be approved to be developed and used for a shed (recycling and waste disposal) in accordance with application P15-098, and subject to the following conditions:

#### 1 Layout not altered

The use and development shall be in accordance with the endorsed plans numbered **P1 & P2** (*Drawing No: WOOF0315 –2/3 and 3/3 03/02/16*)

#### 2 Council's Works & Infrastructure Department conditions

- 2.1 Stormwater from the site shall be contained within the site and not discharged onto neighbouring properties.
- 2.2 The applicant shall provide design drawings for a detention/dispersal designed by a suitably qualified engineer for assessment by Council
- 2.3 Any required upgrades to the stormwater system shall be completed within 6 months of the date of the permit.

#### **DECISION**

#### **Cr Goninon/Cr Adams**

That the matter be discussed.

Carried unanimously

### MINUTES – ORDINARY MEETING

### **15 FEBRUARY 2016**

#### Cr Knowles/Cr Adams

That Council grant the Planning & Development Manager the authority to sign a consent agreement approving applications P14-213 and P15-098 subject to the following conditions:

a) That land at 18 Logan Road, Evandale be approved to be developed and used for earthworks, storage of used materials (recycling and waste disposal) & carparking for Evandale Market (vehicle parking) (retrospective) in accordance with application P14-213, and subject to the following conditions:

#### 1 Layout not altered

The use and development shall be in accordance with the endorsed plan numbered **P1** (*Proposed Site Plan, Drawing No: WOOF0315 – 1/3, Revision 5 03/02/2016*).

- 2 Council's Works & Infrastructure Department conditions
- 2.1 Stormwater from the site shall be contained within the site and not discharged onto neighbouring properties.
- 2.2 The applicant shall provide design drawings for a detention/dispersal designed by a suitably qualified engineer for assessment by Council.
- 2.3 Any required upgrades to the stormwater system shall be completed within 6 months of the date of the permit.
- 3 Landscaping completion and maintenance
- 3.1 Landscaping works as shown on the endorsed plans must be completed within six months from date of the permit.
- 3.2 Landscaping works as shown on the endorsed plans must be maintained for the duration of the use.

#### 4 Storage

Materials stored in the storage area must be stored to a height of no more than 1.5 metres.

b) That land at 18 Logan Road, Evandale be approved to be developed and used for a shed (recycling and waste disposal) in accordance with application P15-098, and subject to the following conditions:

#### 1 Layout not altered

The use and development shall be in accordance with the endorsed plans numbered **P1** & **P2** (*Drawing No: WOOF0315 –2/3 and 3/3 03/02/16*)

- 2.1 Stormwater from the site shall be contained within the site and not discharged onto neighbouring properties.
- 2.2 The applicant shall provide design drawings for a detention/dispersal designed by a suitably qualified engineer for assessment by Council
- 2.3 Any required upgrades to the stormwater system shall be completed within 6 months of the date of the permit.

**Carried unanimously** 

Page 172

#### 43/16 PLANNING PRACTICE QUARTERLY REPORT – OCTOBER-DECEMBER 2015

File: 13/010

Responsible Officer: Duncan Payton, Planning & Development Manager

Report prepared by: Paul Godier, Senior Planner

#### **PURPOSE OF REPORT** 1

This report provides an update on Planning Practice for the October-December 2015 quarter, and is required by Part 4.4 of the Strategic Plan.

#### 2 INTRODUCTION/BACKGROUND

The Strategic Plan seeks to reinforce community confidence in the planning process and the integrity of Council, with fair, consistent and accountable decision making having regard to community expectations.

#### 3 STRATEGIC PLAN 2007/2017

The Strategic Plan 2007/2017 (2012/2013 Revision) provides the guidelines within which Council operates. The following "Volume 1 – Mapping Our Direction" goals have relevance to this issue:

4.4 **Planning Practice** 

#### 4 **POLICY IMPLICATIONS**

Part 4.4 of the Strategic Plan contains the Policy:

Reinforce community confidence in the planning process and the integrity of Council.

To achieve this, the Strategic Plan requires fair, consistent and accountable decision making having regard to community expectations.

The bench mark is to have less than 5% of development applications that result in an appeal.

PLANNING DECISIONS:	Oct-Dec 2015	Year to date		
No. of Permitted applications	13	21		
No. of Discretionary applications	69	109		
Total	82	130		
Representations				
No. of applications that received representation/s	8	13		
No. of representations successfully mediated	0	0		
Council Decisions				
No. of applications decided by Council	8	13		
No. of applications approved by Council	5	9		
No. of application refused by Council	3	4		
Appeals				
No. of decisions appealed	3	4		
	(1 resolved by consent)	(2 resolved by consent)		
Council's decision upheld	-	-		
Council's decision overturned	-	-		

Minutes: 15 February 2016

#### **5 STATUTORY REQUIREMENTS**

#### 5.1 Land Use Planning & Approvals Act 1993

The planning process is regulated by the Land Use Planning & Approvals Act 1993, section 43 of which requires Council to observe and enforce the observance of its planning scheme.

#### **6** FINANCIAL IMPLICATIONS

Whilst not a direct planning consideration, development within the municipal area is important as it provides revenue growth to Council. Consistent planning decisions are important to maintain developer confidence and consequently maintain or increase development revenue.

#### 7 RISK ISSUES

Overall Council currently has a good reputation throughout the development community. Inconsistent decision making would place this reputation at risk.

Council strives to ensure that the planning scheme meets expectations of community. Ongoing changes driven by the State despite public exhibition may not always further this aim.

#### 8 CONSULTATION WITH STATE GOVERNMENT

N/A

#### 9 COMMUNITY CONSULTATION

Discretionary applications were placed on public notification in accordance with Section 57 of the Land Use Planning & Approvals Act 1993.

#### 10 OPTIONS FOR COUNCIL TO CONSIDER

N/A

#### 11 OFFICER'S COMMENTS/CONCLUSION

With regard to Planning Practice, it is considered that fair, consistent and accountable decisions have been made during October to December 2015, with there being 3 appeals, less than the benchmark of 4 appeals (i.e. 5% of 82 applications).

#### **RECOMMENDATION**

That the report be noted.

#### **DECISION**

**Cr Goss/Cr Lambert** 

That the report be noted.

Carried unanimously

## 44/16 REVIEW OF POLICY 55 – REDUCTION IN PLANNING APPLICATION FEES FOR COMMUNITY PROJECTS

Report prepared by: Duncan Payton, Planning & Development Manager

Report prepared by: Monique Case, NRM Officer

#### 1 PURPOSE OF REPORT

This report reviews Council's policy relating to the reduction in application fees for planning approval by not for profit community organisations for projects with a community benefit.

#### 2 INTRODUCTION/BACKGROUND

Circumstances can arise where it is appropriate and in the public interest for consideration to be given to waiving, reducing or refunding fees and charges associated with applications for planning for building permits.

The main purpose of this Policy is to establish a consistent, equitable and transparent approach for the consideration of requests for the waiving, reducing or refunding of planning or building application fees and charges.

It has become apparent that current definitions in the Policy unnecessarily exclude many not for profit organisations that provide benefit to the Northern Midlands community purely on the basis of employing staff.

Whilst some exemptions have been approved by Council on a case by case basis, this ad hoc approach is not considered to present consistent and transparent decision making. Consequently, it is proposed to alter the definition of a not for profit organisation to remove the reference to employment and concentrate on the community nature of the proposal.

#### **3 STRATEGIC PLAN 2007/2017**

The Strategic Plan 2007/2017 (2012/2013 Revision) provides the guidelines within which Council operates. The following "Volume 1 – Mapping Our Direction" goal has relevance to this issue:

4.7 Land Use Planning

#### 4 POLICY IMPLICATIONS

This report reviews the Council's policy relating to the reduction in application fees for planning approval by not for profit community organisations for projects with a community benefit.

#### 5 STATUTORY REQUIREMENTS

#### 5.1 Local Government Act 1993

### 205. Fees and charges

(1) (e) In addition to any other power to impose fees and charges but subject to subsection (2), a council may impose fees and charges in respect of any one or all of the following matters:

(f) any licence, permit, registration or authorization granted by the council.

#### 207. Remission of fees and charges

A council may remit all or part of any fee or charge paid or payable under this Division.

#### **6** FINANCIAL IMPLICATIONS

The proposed variation to the definition of not for profit organisation will result in only a slight increase in the application of the policy and will be offset by the community benefit of the projects proposed.

#### 7 RISK ISSUES

No risk issues are identified.

#### 8 CONSULTATION WITH STATE GOVERNMENT

Not applicable.

#### 9 COMMUNITY CONSULTATION

No specific community consultation has been undertaken, however anecdotal evidence suggests that the proposed minor expansion in the scope of the Policy is warranted.

#### 10 OPTIONS FOR COUNCIL TO CONSIDER

Council can resolve to adopt or refuse to adopt the proposed amended policy.

#### 11 OFFICER'S COMMENTS/CONCLUSION

The policy has operated well since its adoption. However, it has been noted that from time to time relatively minor proposals, for environmentally related projects such as weed removal and river bank stabilisation, have become discretionary by virtue of being within heritage or scenic precincts. When the applicant is an organisation such as NRM North or even an operating agricultural enterprise, who have employed staff – notwithstanding that the proposed works may be undertaken by volunteers - the fee remittance provided by this policy is not available.

This is considered to be a disincentive to those considering applying for State and Commonwealth grants or contributing their own funds towards long term rehabilitation projects.

It is considered appropriate to amend the definition of not-for-profit organisations contained in the Reduction in Planning Fees for Community Projects Policy as follows:

Not-for-profit organisation refers to individuals, recognised groups, or clubs or organisations within the community who do not have any paid staff and whose work is principally to improve the environment or lifestyle of the community or quality of life of individuals/ families at either no or nominal cost to the recipients.

#### 12 ATTACHMENTS

N/A

#### **RECOMMENDATION 1**

That the matter be discussed.

#### **RECOMMENDATION 2**

That Council adopt the Reduction in Planning Fees for Community Projects policy as amended:

Policy Name: Reduction in Planning Application Fees for Community Projects

Originated Date: Adopted 22 February 2010 – Min. No. 55/10 (as Policy 58)

Amended Date/s: Reviewed 8 December 2014 – Min. No. 336/14

**Applicable Legislation:** Local Government Act 1993, s.207

Dataworks Reference: 44/001/001

**Objective** To establish a policy relating to the reduction in application fees for

planning approval by not for profit community organizations for

projects with a community benefit.

#### 1 INTRODUCTION

Each year a number of not-for-profit, community-based, voluntary organizations undertake a number of minor projects with a community benefit. It is normal for these projects to be funded either by grants, donations or by monies raised by their volunteer members of the organisation.

Given the ongoing difficulties associated with fund raising, this policy seeks to minimise the impact of Council fees on qualifying projects.

#### 2 **DEFINITIONS**

For the purposes of this policy:

Minor project refers to projects such as, but not limited to, pergolas, barbeques, fences, play equipment (in an existing playground), monuments, street furniture and the like.

Not-for-profit organisation refers to individuals, recognised groups, clubs or organisations within the community whose work is principally to improve the environment or lifestyle of the community or quality of life of individuals/families at either no or nominal cost to the recipients.

#### 3 OPERATION

Where a not-for-profit organisation applies for planning approval for a minor project, applicable planning assessment and building assessment fees shall be waived.

Where such a planning application requires public exhibition in accordance with s.57 of the Land Use Planning and Approvals Act 1993, the advertising fee shall be reduced to 50% of the scheduled fee.

#### 4 ACCOUNTING

For the purposes of record keeping, where fees are waived or reduced in accordance with clause 3, the relevant accounts for that section shall record the full fees as if they had been paid with corresponding adjustment entries to record the waived component as a donation.

Council shall be advised, in the information section of its meeting agenda, of all such donations.

#### **DECISION**

**Cr Goss/Cr Knowles** 

That Council adopt the Reduction in Planning Fees for Community Projects policy as amended.

Carried unanimously

### 45/16 GREEN ARMY PROGRAMME FUNDING: ROUND 5

Report prepared by: Duncan Payton, Planning & Development Manager

Report prepared by: Monique Case, NRM Officer

#### 1 PURPOSE OF REPORT

The purpose of this report is to seek Council's position regarding:

- i Hosting a Round 5 Green Army multiple project application
- ii Contributing up to \$10,000.00 for project facilitation.

#### 2 INTRODUCTION/BACKGROUND

As an initiative of the Australian Government, there has been more than \$360 million allocated for the Green Army programme over four years.

In 2014 the *Rossarden Progress Association* with Council sponsorship unsuccessfully applied to Round 3 of the Green Army funding allocation.

In 2015 another application was submitted for Round 4 funding for two projects working towards NRM and Heritage outcomes at Rossarden (Broom) and Longford (Woolmers/Brickendon). In December 2015 the Minister announced that this application was successful. On ground works are expected to start in April 2016.

Funding for Green Army Round 5 is expected to open in mid-February. There are 3-4 projects that are being investigated with Manpower Australia (Service Provider), Landcare Australia and the NMC community that may be suitable for Green Army Round 5 submission:

#### Serrated Tussock

Current proposal outline is to apply for 3 consecutive Green Army Teams (over 18 months) working with private and state landholders (Council, PWS and Forestry) within the Lake River Catchment with technical guidance and assistance from DPIPWE's Threatened Species Unit and the Invasive Species Unit.

The aim of this project is to assess the expanded distribution of Serrated Tussock in the region, assist landholders with on-going, on ground eradication efforts and further raise awareness in the community.

### Heritage

Woolmers Estate have requested support for another Green Army Team to continue on-ground works in both the heritage and natural landscape to further conservation efforts commenced in the 2015 Round 4 programme.

#### Rossarden

There is potential to apply for another team to expand on the previous broom and threatened species projects at Rossarden. This project receives a high level of support from the Rossarden community.

#### Cats

Manpower Australia has been successful in Round 4 of the Green Army with Meander Valley Council to assess feral cat population distribution and density in high value target landscapes in the Meander

Municipality to inform future control activities.

It is proposed that the Meander programme be extended into NMC with 3 consecutive teams over 18 months and 2 financial years.

The Cat project would be focussing on high value landscapes such as Lake River, Liffey, Nile, Rossarden and Blackwood Creek; driven by community response.

#### **3 STRATEGIC PLAN 2007/2017**

The Strategic Plan 2007/2017 (2012/2013 Revision) provides the guidelines within which Council operates. The following "Volume 1 – Mapping Our Direction" goals have relevance to this issue:

- Part 4: Structure Planning and Sustainability
- Part 2: Economic Development

#### 4 POLICY IMPLICATIONS

There are no specific policy implications in continuing with the Green Army projects.

#### **5 STATUTORY REQUIREMENTS**

Council is required to meet all its statutory obligations in regard to its contractual obligations with the Australian Government and Manpower Australia.

Where an organisation partners with one or more other organisations, one organisation (a legal entity) must take overall responsibility for the Project, as a Project Sponsor, and be able to enter into a Project Agreement with the Service Provider. Northern Midlands Council will be the host (responsible) organisation.

#### **6** FINANCIAL IMPLICATIONS

There are both cash and in-kind financial implications associated with participation in the Green Army Programme.

Table 1 below, provides a brief outline of project costs for Green Army Round 4 which works with 2 Project Teams.

Table 1: Financial Implications of Round 4 Green Army Projects (2 teams)

Round 4: Green Army covers both teams/projects	
Materials In-kind	\$5,675.00
NRM Facilitator In-Kind	\$6,000.00
Cash	\$4,000.00

The financial implication for the Round 5 projects, if successful, will be approximately the same as the Round 4 project

#### 7 RISK ISSUES

There are no specific risk issues.

#### 8 CONSULTATION WITH STATE GOVERNMENT

Consultation and collaboration with relevant branches of State Government is an integral part of project development and execution. Officers are engaged in on-going dialogue with:

- Biosecurity invasive species
- Conservation threatened species
- Forestry
- Crown Lands
- Parks and Wildlife Services

#### 9 COMMUNITY CONSULTATION

Community consultation is on-going with major stake-holders with both delivery of Round 4 and Round 5 development.

Further community consultation is proposed for the Round 5 application.

#### 10 OPTIONS FOR COUNCIL TO CONSIDER

- Support Round 5 Green Army application and allocate up to \$15,000.00 (cash and in-kind)
- Not support application.

#### 11 OFFICER'S COMMENTS/CONCLUSION

The Green Army is an opportunity to participate in a multiple outcome Commonwealth Programme that supports on ground works that will be of long term benefit to both the Northern Midlands and wider community by working to conserve and enhance our natural and heritage values.

#### **RECOMMENDATION**

That Council supports the making of an application for Green Army Round 5 funding.

#### **DECISION**

#### **Cr Goninon/Cr Lambert**

That Council supports the making of an application for Green Army Round 5 funding.

**Carried unanimously** 

#### CON – ITEMS FOR THE CLOSED MEETING

#### **DECISION**

#### Cr Goninon/Cr Gordon

That Council move into the "Closed Meeting" with the General Manager, Corporate Services Manager, Planning and Development Manager, Works & Infrastructure Manager and Executive Assistant.

Carried unanimously
