

St Andrews Uniting Church Evandale

WW1 Honour Board in the mantelpiece style with fluted rectangular columns. It has been beautifully made by a fine craftsman from quality dark wood. The capital is embellished with carving and ornate rebated edges. These columns are topped with carvings and at the bottom of the left is carved "1914" and on the right "1918". The main titles are carried on a blue ribbon. In the centre top are crossed the Union Jack and Australian Red Ensign.
